Sub.: Clarification regarding Constitution of Tender Committee.

Dear Sir,

Seeing the present shortage of Civil Executives in CCL particularly in higher grades i.e. E6/E7 grade, a clarification was sought from CIL regarding the subject matter i.e. constitution of Tender Committee. A detailed explanation quoting the Manual provision was received which is as below:

The relevant portion of clause no. 4.12.1 of MMCEW-2015 regarding constitution of Tender Committee, is reproduced below:

**Quote**

4.12.1 Before publication of tender, the authority inviting the tenders initiates proposal for constitution of the tender committee. Approval of the competent authority who has powers to approve the award of work is obtained for constitution of the tender committee. In case Board is the approving authority, approval of CMD shall be taken. **The constitution of the tender committee for different values of work may broadly be on the following lines (need based modifications can be done):**

**Unquote**

As per the above, the constitution of the tender committee for different values of work may broadly be done as per clause 4.12.1 of MCEW, Part-I. As referred above, MCEW 2015 has provision for need based modification.

Therefore, in cases where Executive of grade required as per MCEW is not available in Project/Area, need based modification in constitution of tender committee may be done at area level in line with the availability of officers at that Project/Area and competent approval by TAA may be obtained for it.

General Manager (Civil)/HoD
