MESSAGE

I am happy to learn that this year Vigilance Awareness Week is being observed by the Central Vigilance Commission (CVC) from October 26 – 31, 2015 on the theme ‘Preventive Vigilance as a tool of Good Governance’.

Preventive vigilance comes into play before any act of corruption takes place. The system itself, through internal checks and balances, can ensure that acts of corruption do not take place. It is important to create awareness among Government Departments, Institutions and general public to implement preventive measures effectively, so that transparency and accountability can be maintained in governance and corruption eliminated at every level. Since its inception the CVC has played a significant role in the promotion of transparency and efficiency in the public sector.

Let us take a pledge on this occasion to remove the menace of corruption from our society.
