(2) Before making any payment to the owner of any coal mine or group of coal mines under sub-section (1), the Commissioner shall satisfy himself as to the right of such person to receive the whole or any part of such amount, and in the event of there being a doubt or dispute as to the right of the person to receive the whole or any part of the amount, referred to in sections 8 and 9, the Commissioner shall refer the matter to the court and make the disbursement in accordance with the decision of the court.

(3) For the removal of doubts, it is hereby declared that the entries in the fourth column of the Schedule shall not be deemed to be conclusive as to the right, title and interest of any person in relation to any coal mine specified in the corresponding entries in the second column of the Schedule and evidence shall be admissible to establish the right, title and interest of any person in relation to such coal mine.

(4) In relation to a coal mine the operations of which were, immediately before the taking over of the management of such coal mine under the Coal Mines (Taking Over of Management) Act, 1973, under the control of a managing contractor, the amount specified in the fifth column of the Schedule against such coal mine shall be apportioned between the owner of the coal mine and such managing contractor in such proportions as may be agreed upon by or between the owner and such managing contractor, and in the event of there being no such agreement, in such proportions as may be determined by the court on a reference made to it by the Commissioner.

(5) Where any machinery, equipment or other property in a coal mine has vested in the Central Government or a Government company under this Act, but such machinery, equipment or other property does not belong to the owner of such coal mine, the amount specified in the fifth column of the Schedule against such coal mine shall, on a reference made to it by the Commissioner, be apportioned by the court between the owner of such coal mine and the owner of such machinery, equipment or other property having due regard to the value of such machinery, equipment or other property on the appointed day.

Explanation.—In this section, “court”, in relation to a coal mine, means the principal civil court of original jurisdiction within the local limits of whose jurisdiction the coal mine is situated.

27. Any money paid to the Commissioner which remains undisbursed or unclaimed for a period of three years from the last day on which the disbursement was made, shall be transferred by the Commissioner to the general revenue account of the Central Government; but a claim to any money so transferred may be preferred to the Central Government by the person entitled to such payment and shall be dealt with as if such transfer had not been made, the order, if any, for payment of the claim being treated as an order for the refund of revenue.

Undisbursed or unclaimed amounts to be deposited to the general revenue account.
