**Invitation for Quotation to prepare estimate for Integrated Management System (ISO 9001:2015, ISO 14001:2015 and ISO 45001:2018)**

**Name of Work:** Initial certification of the Integrated Management System (ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018, or their latest versions) for various units of Central Coalfields Limited, for a period of three years.

**Annexure-A : Bill of Quantity**

S.No	Job description	Unit	Qty	Estimated Cost of Service (Rs.)
1	Conducting the Initial Audit (Stage 1 and Stage 2) for ISO 9001, ISO 14001, and ISO 45001, and issuing the respective certificates bearing the valid official IAF MLA mark/logo of the accreditation body. (including all travelling and boarding costs)	No.	1	To be filled in figure & words both
2	Total Cost of Surveillance audit (including all travelling and boarding costs)	No	2	To be filled in figure & words both
	Total (excl.GST)			
	GST (18 %)			
	Total Quoted Value Including GST			

**Technical Requirement:**

The certification body must be accredited by an IAF-recognized accreditation body for the proposed scope of work to conduct certification audits.

**Supporting Documents to be uploaded online:**

Service providers (Certification bodies) are required to upload a scanned copy of their accreditation certificate issued by an IAF-recognized accreditation body.

**Note:**

1. Certification bodies participating in this quotation for estimate preparation must hold valid accreditation from NABCB or any other IAF member accreditation body that is a signatory to the Multilateral Recognition Arrangement (MLA). The accreditation must cover ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018 specifically for the Mining Sector. The Service provider must have the accreditation registered in its name. The accreditation certificates submitted should clearly state the certification body's name, accreditation number, date of issue, and expiry date.
2. The certification bodies must provide valid and up-to-date accreditation certificates issued by accreditation body.

3. Any bid submitted by an agency on behalf of certification agency shall not be acceptable and shall be summarily rejected.
4. The service provider should quote rate for the whole work mentioned in the Scope of work / Bill of Quantity.
5. This is not an offer of work and this document is intended for inviting quotations for the purpose of preparing estimate only.

## **Annexure-B : Scope of Work**

1. Integrated Management System (IMS) certification for various units of Central Coalfields Limited (CCL) shall be applied for and obtained simultaneously for initial certification under ISO 9001, ISO 14001, and ISO 45001. This shall include auditing and the issuance of certificates bearing the IAF MLA mark and the logo of the accreditation body. Additionally, two (2) surveillance audits of equal duration shall be conducted within the three (3)-year certification period, on dates mutually agreed upon with CCL.

The scope of this Integrated Management System of CCL is as follows:

- a) Coal mining and supply operations,
- b) Planning for mining and allied operations,
- c) Mining, handling, supply and transportation of coal, and
- d) Allied engineering and support operations.
- e) Support services, namely:
  - i. Corporate planning, coordination, and monitoring,
  - ii. Repair and maintenance of mining machinery,
  - iii. Materials and water supply arrangements,
  - iv. Healthcare of workforce and their families.
  - v. Establishment and provision of training.
  - vi. Emergency rescue operations in mines.

2. Coverage of CCL's Integrated Management System: The details of the units of CCL, along with shift-wise manpower, are mentioned in the table below:
