| 1                    | Providing and fixing 6 SWG dia GI wire on surface or in recess for loop earthing as required.                                                                                                                                                                   | 225      | mtr.   |                         |                                                            | 0.00                                | INR Zero Only         |
| 2                    | Supplying and fixing of modular switch 5/6 amps switch on the existing modular plate & switch box including connections but excluding modular plate etc. as required.                                                                                           | 10       | Each   |                         |                                                            | 0.00                                | INR Zero Only         |
| 3                    | Supplying and fixing of modular switch 15/16 amps switch on the existing modular plate & switch box including connections but excluding modular plate etc. as required.                                                                                         | 2        | Each   |                         |                                                            | 0.00                                | INR Zero Only         |
| 4                    | Supplying and fixing of modular socket 3 pin 5/6 amps socket outlet on the existing modular plate & switch box including connections but excluding modular plate etc. as required.                                                                              | 4        | Set    |                         |                                                            | 0.00                                | INR Zero Only         |
| 5                    | Supplying and fixing of 25 mm sizes of medium class PVC conduit along with accessories in surface/recess including cutting the wall and making good the same in case of recessed conduit as required.                                                           | 175      | Mtr    |                         |                                                            | 0.00                                | INR Zero Only         |
| 6                    | Supplying and fixing of modular socket 6 pin 15/16 amps socket outlet on the existing modular plate & switch box including connections but excluding modular plate etc. as required.                                                                            | 2        | Set    |                         |                                                            | 0.00                                | INR Zero Only         |
| 7                    | Supplying and fixing of 4 module (125 mm X 75 mm)size/ modules, GI box alongwith modular base & cover plate for modular switches in recess etc.                                                                                                                 | 4        | Each   |                         |                                                            | 0.00                                | INR Zero Only         |
| 8                    | Earthing with copper earth plate 600mm X600mmX3mm thick including accessories, and providing masonry enclose with cover plate having locking arrangement and watering pipe of 2.7meter long etc with charcoal cock and salt as required                         | 2        | set    |                         |                                                            | 0.00                                | INR Zero Only         |
| 9                    | Providing and fixing 4.00 mm dia copper wire on surface or in recess for loop earthing as required.                                                                                                                                                             | 60       | mtr.   |                         |                                                            | 0.00                                | INR Zero Only         |
| 10                   | Supplying and fixing brass batten/ angle holder including connection etc. as required.together, including drilling holes for insulator pins/ fittings, bolts, nuts, washers etc. and painting with primer and finish paint as required.                         | 4        | Each   |                         |                                                            | 0.00                                | INR Zero Only         |
| 11                   | Supplying and fixing 5 amps to 32 amps rating, 240/415 volts, "C" curve, miniature circuit breaker suitable for inductive load as required/ double pole in the existing MCB DB complete with connections, testing and commissioning etc. as required.           | 4        | Each   |                         |                                                            | 0.00                                | INR Zero Only         |
| 12                   | Providing and fixing 63 A capacity TP&N disconnector fuse switch unit inside the existing panel board with ISI marked HRC fuses including drilling holes in cubical panel, making connections etc as required                                                   | 3        | Nos.   |                         |                                                            | 0.00                                | INR Zero Only         |
| 13                   | Supplying and fixing stepped type electronic fan regulator on the existing modular plate switch box including connections but excluding modular plate etc. as required.                                                                                         | 1        | Each   |                         |                                                            | 0.00                                | INR Zero Only         |
| 14                   | Supplying and fixing 3 pin, 5 amp ceiling rose on the existing junction box/ wooden block including connection etc as required.                                                                                                                                 | 3        | Each   |                         |                                                            | 0.00                                | INR Zero Only         |
| 15                   | Supplying and drawing of 2 x 2.5 sq. mm sizes of FR PVC insulated copper conductor, single core cable in the existing surface/ recessed steel/ PVC conduit as required.                                                                                         | 175      | Mtr.   |                         |                                                            | 0.00                                | INR Zero Only         |
| 16                   | Wiring for light/ power plug with 2 x 4 sq. mm FRLS PVC insulated copper conductor single core cable in surface/ recessed medium class PVC conduit alongwith 1 no. 4 sq mm FRLS PVC insulated copper conductor single core cable for loop earthing as required. | 20       | Mtr.   |                         |                                                            | 0.00                                | INR Zero Only         |
