Preference to Make in India (as applicable) vide Order No. P-45021/2/2017-PP (BE-II) dated 16.09.2020, issued by Govt. of India as amended from time to time shall be applicable. In terms of the above said policy, purchase preference shall be given to Class-I local supplier. In terms with the above said policy, Class-I local suppliers and Class-II local suppliers shall be eligible to bid.

The definitions of Class-I Local Supplier, Class-II local supplier, Non-Local supplier, Local Content and Margin of Purchase Preference as per above mentioned Order are as follows: -

A. 'Class-I local supplier' means a supplier or service provider, whose goods, services or works offered for procurement, has local content equal to or more than 50%, as defined under said order.

C. 'Non-Local supplier' means a supplier or service provider, whose goods, services or works offered for procurement, has local content less than 20% as defined under said order

D. 'Local Content' means the amount of value added in India which shall be the total value of the item procured (excluding net domestic indirect taxes) minus the value of imported content in the item (including all customs duties) as a proportion of the total value, in percent.

E. 'Margin of Purchase Preference' means the maximum extent to which the price quoted by a Class-I local supplier may be above the L1 for the purpose of purchase preference. The margin of purchase preference is 20%.

Preference to Make in India (as applicable) vide Order No. P-45021/2/2017-PP (BE-II) dated 16.09.2020, issued by Govt. of India as amended from time to time shall be applicable.

(NOT APPLICABLE WHERE ESTIMATED COST PUT TO TENDER IS LESS THAN 5 LAKHS.)

In terms with the above said policy, Class-I local suppliers and Class- II local suppliers shall be eligible to bid. Non-local supplier is not eligible to bid. The purchase preference shall be given to Class-I local supplier only.

In terms of the above said policy, purchase preference shall be given to Class- I local suppliers in the following manner:

I. In the procurement of works which are divisible in nature, the following procedure shall be followed: -

- i) Among all qualified bids, the lowest bid will be termed as L-1. If L-1 is from a Class-I local supplier, the contract for full quantity will be awarded to L-1 at L-1 price by the Purchaser.
- ii) If L-1 is not a Class-I local supplier, 50% of the order quantity shall be awarded to L-1. Thereafter, the lowest bidder among the Class- I local suppliers will be invited to match the L-1 price for the remaining 50% quantity subject to Class-I local supplier's quoted price falling within the margin of purchase preference, and the contract for that quantity shall be awarded to such local supplier subject to his matching the L-1 price. In case such lowest eligible Class-I supplier fails to match the L-1 price or accept less than the offer quantity, the next higher Class-I local supplier within the margin of purchase preference shall be invited to match the L-1 price for remaining quantity and so on, and contract shall be awarded accordingly. In case some quantity is still left uncovered on Class-I local supplier, then such balance quantity may also be ordered on L-1 bidder.

II. In the procurement of works which are not divisible, and in procurement of services where the bid is evaluated on price alone, the following procedure shall be followed:-

- i) Among all qualified bids, the lowest bid will be termed as L-1. If L-1 is from a Class-I local supplier, the contract will be awarded to L-1.
- ii) If L-1 is not from a Class-I local supplier, the lowest bidder among the Class-I local suppliers, will be invited to match the L-1 price subject to Class-I local supplier's quoted price falling within the margin of purchase preference, and the contract shall be awarded to such Class-I local supplier subject to matching the L-1 price.
- iii) In case such lowest eligible Class-I local supplier fails to match the L-1 price, the Class-I local supplier with the next higher bid within the margin of purchase preference shall be invited to match the L-1 price and so on and contract shall be awarded accordingly.

In case none of the Class-I local suppliers within the margin of purchase preference matches the L-1 price, then the contract may be awarded to the L-1 bidder.

III. Applicability in tenders where contract is to be awarded to multiple bidders

In tenders where contract is awarded to multiple bidders subject to matching of L1 rates or otherwise, the 'Class-I local supplier' shall get purchase preference over 'Class-II local supplier' as well as 'Non-local supplier', as per following procedure:

- a) In case there is sufficient local capacity and competition for the item to be procured, as notified by the nodal Ministry, only Class I local suppliers shall be eligible to bid. As such, the multiple suppliers, who would be awarded the contract, should be all and only 'Class I Local suppliers'.
- b) In other cases, 'Class II local suppliers' and 'Non local suppliers' may also participate in the bidding process along with 'Class I Local suppliers' as per provisions of the Order.
- c) If 'Class I Local suppliers' qualify for award of contract for at least 50 (fifty) percent of the tendered quantity in any tender, the contract may be awarded to all the qualified bidders as per award criteria stipulated in the bid documents. However, in case 'Class I Local suppliers' do not qualify for award of contract for at least 50 (fifty) percent of the tendered quantity, purchase preference should be given to the 'Class I local supplier' over 'Class II local suppliers' / 'Non local suppliers' provided that their quoted rate falls within margin of purchase preference of the L1 bidder considered for award of contract so as to ensure that the 'Class I Local suppliers' taken in totality are considered for award of contract for at least 50 (fifty) percent of the tendered quantity.
- d) First purchase preference has to be given to the lowest quoting 'Class-I local supplier', whose quoted rates fall within margin of purchase preference, subject to its meeting the prescribed criteria for award of contract as also the constraint of maximum quantity that can be sourced from any single supplier. If the lowest quoting 'Class-I local supplier', does not qualify for purchase preference because of aforesaid constraints or does not accept the offered quantity, an opportunity may be given to next higher 'Class-I local supplier', falling within margin of purchase preference, and so on.
- e) To avoid any ambiguity during bid evaluation process, the procuring entities may stipulate its own tender specific criteria for award of contract amongst different bidders including the procedure for purchase preference to 'Class-I local supplier' within the broad policy guidelines stipulated in sub-paras above.

IV. Requirement for specification in advance: The minimum local content, the margin of purchase preference and the procedure for preference to Make in India shall be specified in the notice inviting tenders or other form of procurement solicitation and shall not be varied during a particular procurement transaction.

V. Verification of local content:

- a) If the estimated value of Procurement is upto Rs. 10 crores, all the Bidders at the time of bidding shall submit self-certification indicating the percentage of local content in

- b) In cases of procurement for a value in excess of Rs. 10 crores, the 'Class-I local supplier'/ 'Class-II local supplier' shall be required to provide a certificate with UDIN from the statutory auditor or cost auditor of the company (in the case of companies) or from a practicing cost accountant or practicing chartered accountant (in respect of suppliers other than companies) giving the percentage of local content.
- c) Decisions on complaints relating to implementation of this Order, 2020 (amended from time to time) shall be taken by TAA limited to the CMD of CIL/Subsidiaries to the procuring entity.
- d) CIL/Subsidiary may constitute committees with internal and external experts for independent verification of self-declarations and auditor's/ accountant's certificates on random basis and in the case of complaints.
- e) False declarations will attract debarment of the bidder or its successors for a period up to two years as per Guidelines on debarment of firms from bidding along with such other action as may be permissible under law.
- f) A supplier who has been debarred by any procuring entity for violation of the Order shall not be eligible for preference under the Order for procurement by any other procuring entity for the duration of the debarment. The debarment for such other procuring entities shall take effect prospectively from the date on which it comes to the notice of other procurement entities, in the manner prescribed below.
- g) The Department of Expenditure shall issue suitable instructions for the effective and smooth operation of this process, so that:
 - 1. The fact and duration of debarment for violation of the Order by any procuring entity are promptly brought to the notice of the Member-Convenor of the Standing Committee and the Department of Expenditure through the concerned Ministry /Department or in some other manner;

- ii. CIL/Subsidiary whose procurement exceeds Rs. 1000 Crore per annum shall notify/ update their procurement projections every year, for the next 5 years on their respective website (**Note:** To be monitored by Project Monitoring Division).

VII. Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017.

The Class-I local suppliers, under PPP-MII Order, participating in any tender, may or may not be MSEs, as defined under the MSME Act. Similarly, MSEs participating in any tender, may or may not be Class-I local suppliers. suppliers may be categorised in following four broad categories for consideration or applicability of purchase preference:

Category	Terminology
Supplier is both MSE & Class-I local Supplier	MSE Class-I local Supplier
Supplier is MSE but not Class-I local Supplier	MSE but non-Class-I local Supplier
Supplier is not MSE but is Class-I local Supplier	Non-MSE but Class-I local Supplier
Supplier is neither MSE nor Class-I local Supplier	Non-MSE non-Class-I local Supplier

The work is divisible/splitable and both MSEs as well as Class-I local suppliers are eligible for purchase preference. Possible scenarios can be as under:

- (i) L-1 is “MSE Class-I local Supplier” - 100% of the tendered quantity is to be awarded to L-1.
- (ii) L-1 is “Non-MSE but Class-I local supplier” - purchase preference is to be given to MSEs, if eligible, as per PPP-MSE Order. Balance quantity is to be awarded to L-1 bidder.
- (iii) L-1 is “MSE but non-Class-I local supplier” - purchase preference is to be given to Class-I local suppliers, if eligible, as per PPP-MII Order. Balance quantity is to be awarded to L-1 bidder.
- (iv) L-1 is “Non-MSE non-Class-I local supplier” - purchase preference is to be given to MSEs as per PPP-MSE Order. Thereafter, purchase preference is to be given to Class-I local suppliers for “50% of the tendered quantity minus quantity allotted to MSEs above” as per PPP- MII Order. For the balance quantity, contract is to be awarded to L-1 bidder.

The work is not divisible/splittable and both MSEs as well as Class-I local suppliers are eligible for purchase preference. Possible scenarios can be as under:

- (i) L-1 is “MSE Class-I local supplier” - Contract is awarded to L-1.
- (ii) L-1 is not "MSE Class-I local supplier" but the “MSE Class-I local supplier" falls within 15% margin of purchase preference - Purchase preference is to be given to lowest quoting “MSE Class-I local supplied. If lowest quoting “MSE Class-I local supplier” does not accept the L-1 rates, the next higher “MSE Class-I local supplier” falling within 15% margin of purchase preference is to be given purchase preference and so on.
- (iii) If conditions mentioned in sub paras (i) and (ii) above are not met i.e., L-1 is neither “MSE Class-I local supplier” nor “MSE Class-I local supplier" is eligible to take benefit of purchase preference, the contract is to be awarded/ purchase preference to be given in different possible scenarios as under:
 - a. L1 is “MSE but non-Class-I local supplier” or “non-MSE but Class-I local supplier" - Contract is be awarded to L1.
 - b. L1 is “Non-MSE non-Class-I local supplier” - First purchase preference to be given to MSE as per PPP-MSE Order. The reasonableness of rates will be evaluated as per the provisions of Manual of CIL and other guidelines issued from time to time.

The approval for award of work to L-1 Bidder will be accorded by the Competent Authority as per Delegation of Power based on the TC recommendation.

19.4 After competent approval and financial concurrence of TCR, the Letter of Acceptance (LOA) to the L-1 Bidder will be issued and the scanned copy of the LOA shall be sent to the Bidder through email. Subsequently, the contract will be generated on GeM portal to conclude the tendering process.

22. EXAMINATION OF BIDS AND DETERMINATION OF RESPONSIVENESS

22.1 A substantially responsive Bid is one which conforms to all the terms, conditions, and specifications of the Bidding documents without material deviation or reservation. A material deviation or reservation is one:

If a Bidder offers a rebate unilaterally after the end date and time of the bid submission, it will not be taken into account for evaluation purpose by the tender committee. But if that Bidder emerges as the lowest evaluated, the rebate offer will be taken into account for determination of the total offer.

If L1 bidder gives rebate Suo-moto then the same may be recorded on GeM Portal using the tab of "Negotiation with L1 bidder" due to non-functionality for recording of Suo-Moto Rebate given by L1 bidder. The use of Tab of "Negotiation with L1 Bidder" for recording of Suo-Moto rebate given by L1 bidder is not a Negotiation.

23.5 Bid evaluation shall be done after taking into consideration overall quoted price by the Bidder and effect of Goods and Services Tax (GST), GST Compensation Cess etc. as applicable. L1 will be decided on the basis of Cost to Company.

23.6 There should be no provision in the Bid Documents regarding submission of Additional Security Deposit / Bank Guarantee (BG) in case of Abnormally Low Bids. If, after evaluating the price analyses, Procuring Entity determines that the Bidder has substantially failed to demonstrate its capability to deliver the contract at the offered price, the Procuring Entity may reject the bid/ proposal.

~~In compelling circumstances, the provision for awarding work in case of Abnormally Low Bid with Additional Performance Security may be incorporated in the tender document with the approval of the next higher authority to the authority competent to finalize the particular tender.~~

~~Such Additional Performance Security (APS) shall be applicable if the bid price is below 15% of the updated/justified cost Finalized by the Owner as on the last date of Bid submission. The amount of such APS shall be the difference between 85% of the updated/justified cost Finalized by the Owner as on the last date of Bid submission and quoted price.~~

Updated/justified cost shall be based on prevalent market rate of material components and Labour components as on the base date i.e. the 10th day prior to the last date on which the tenders were stipulated to be received (including the last date of submission of bid as mentioned in the NIT prior to revision, if any) for working out such price variation, analysed as per standard analysis of rate adopted in the preparation of SOR.

~~Approving Authority of updated/justified cost shall be the authority who has approved the estimate for the Tender/as per existing guidelines in this regard.~~

- a. eligible in accordance with the provisions of Clause 2; and

- b. qualified in accordance with the provisions of Clause 3.

25. EMPLOYER'S RIGHT TO ACCEPT ANY BID, NEGOTIATE AND TO REJECT ANY OR ALL BIDS

25.1 Notwithstanding Clause 24, the Employer reserves the right to accept, negotiate or reject any Bid, and to cancel the bidding process and reject all Bids, at any time prior to the award of Contract, without thereby incurring any liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders of the grounds for the Employer's action.

25.2 (A) Negotiations

I) Normally, there should be no negotiation. Negotiations should be a rare exception rather than the rule and may be resorted to only in exceptional circumstances. If it is decided to hold negotiations for reduction of prices, they should be held only with the lowest acceptable bidder (L1), who is techno-commercially responsive and on whom the contract would have been placed but for the decision to negotiate. In no case, including where a cartel/ pool rates are suspected, should negotiations be extended to those who had either not tendered originally or whose tender was rejected because of unresponsiveness of bid, unsatisfactory credentials, inadequacy of capacity or unworkable rates. The circumstances where negotiations may be considered could be:

A) Where the procurement is done on nomination basis;

B) Procurement is from single or limited sources;

C) Procurements where there is suspicion of cartel formation which should be recorded; and

D) Where the requirements are urgent and the delay in re-tendering for the entire requirement due to the unreasonableness of the quoted rates would jeopardise essential operations, maintenance and safety, negotiations with L1 bidder(s) may be done for bare minimum quantum of requirements. The balance bulk requirement should, however, be procured through a re-tender, following the normal tendering process.

II) The decision whether to invite fresh tenders or to negotiate and with whom, should be made by the tender accepting authority limited to CMD of CIL/Subsidiary based on the recommendations of the TC. Convincing reasons must be recorded by the authority recommending negotiations. The CA should exercise due diligence while accepting a tender or ordering negotiations or calling for a re-tender and a definite timeframe should be indicated.

III) Normally all counter offers are considered negotiations by other means and the principles of negotiations should apply to such counter offers. For example, a counter offer to L1, in order to arrive at an acceptable rate, shall amount to a negotiation. However, any counter offer to L2, L3, and so on (at the rates accepted by L1) in case of splitting of quantities shall not be deemed to be a negotiation.

IV) After the CA or TC has decided to call a specific bidder for negotiation, the following procedure should be adopted:

A) Negotiations must be carried out by the CA or TC only;

B) It must be understood that, if the period of validity of the original offer expires before the close of negotiations, the original offer will not be available for acceptance. The period of

validity of the original offer must, therefore, be extended, wherever necessary, before negotiations;

C) The tenderer to be called in for negotiations should be addressed as per the format of letter laid down in relevant Annexure of Bid document, so that the rates originally quoted by him shall remain open for acceptance in the event of failure of the contemplated negotiation;

- (ii) **The Mediation Act and a Mediation Agreement:** The Mediation shall be conducted as per The

(iii) Guidelines for Mediation: Department of Expenditure, Ministry of Finance has issued guideline on Mediation. Government departments/ entities/ agencies are encouraged to adopt mediation under the Mediation Act 2023 and/ or negotiate amicable settlements to resolve disputes. Where necessary, e.g. matters of high value, they may proceed in the manner discussed below:

1. Company, may where they consider appropriate, e.g. in high-value matters (where amount of dispute / claim value is more than the DoP of concerned Director), constitute a High-Level Committee (HLC) (minimum 03 members) for dispute resolution, which may include the following (this composition is purely indicative and not prescriptive):
 - i. A retired judge.
 - ii. A retired high-ranking officer and/ or technical expert.
2. In cases where a HLC is constituted, the Company may either
 - i. negotiate directly with the other party and place a tentative proposed solution before the HLC or
 - ii. conduct mediation through a mediator and then place the tentative mediated agreement before the HLC or
 - iii. use the HLC itself as the mediator.
3. This will enable decisions taken for resolving disputes in appropriate matters to be scrutinized by a high-ranking body at arms-length from the regular decision-making structure, thereby promoting fair and sound decisions in the public interest, with probity.
4. There may be rare situations in long-duration works contracts where a renegotiation of the terms may best serve public interest due to unforeseen major events. In such circumstances, the terms of the tentative re-negotiated contract may be placed before a suitably constituted High-Level Committee before approval by the competent authority.
5. Disputes where the methods outlined above are unsuccessful should be adjudicated by the courts.

(iv) Appointment of Mediator(s):

1. Mediators can be of any nationality and must be registered with the Mediation Council of India (MCI) or empanelled by a court-annexed mediation centre or empanelled by an Authority constituted under the Legal Services Authorities Act, 1987 or empanelled by a mediation service provider (MSP) recognised by MCI.
2. Within 30 days of receipt of the "Notice of Mediation", the CMD of subsidiary / CIL after consultation with concerned Legal department shall propose names of three likely mediators from its panel, asking the other party to choose one as Mediator. The mutually accepted mediator shall then be appointed to conduct mediation.

5. After a mediator is appointed, they must disclose any conflict of interest. Either party can seek a replacement of the Mediator after such disclosure.

(v) Venue: Mediation must be conducted within the territorial jurisdiction of the Court, which has jurisdiction to decide the dispute unless both parties agree to do it online or at the HQ of the subsidiary / CIL where the contract has been executed.

Online Mediation: The Act allows parties to opt for online/ virtual Mediation, which shall be deemed to occur within the jurisdiction of a competent court. The Act also requires online mediation communication mechanisms to ensure confidentiality.

(vi) The Process:

1. The Mediator independently and impartially encourages open communication and cooperation between disputing parties to reach an amicable settlement, but he does not have the authority to impose a settlement upon the parties to the dispute. The parties shall be informed expressly by the mediator that he only facilitates in arriving at a resolution of the dispute and that he shall not impose any settlement nor give any assurance that the mediation may result in a settlement.
2. Unlike court proceedings, Mediation is informal and flexible and allows for creative problem-solving and exploration of various solutions. The Code of Civil Procedure or the Indian Evidence Act, 1872 shall not be binding on the mediator.
3. Confidentiality: Subject to the other provisions of the Mediation Act 2023, the mediator, mediation service provider, the parties and participants in the mediation shall keep confidential all the following matters relating to the mediation proceedings, namely:—

He assists them in identifying issues, advancing better understanding, clarifying priorities, and exploring areas of the parties' responsibility, identifying common interests, and encouraging compromise. He then meets them jointly to encourage a mutually acceptable resolution. At any stage of the mediation proceedings, at the parties' request, the mediator may suggest a dispute settlement in writing.

(vii) Termination of Mediation: The process must be completed within 120 days, though parties can extend it by another 60 days through mutual consent. If Mediation is not completed within this timeline (120+60 days), the Mediator shall prepare a non- settlement report without disclosing the

cause of non-settlement or any other matter or thing referring to their conduct during mediation for the parties or the MSP. Mediation shall also stand terminated on a declaration of the mediator, after consultation with the parties or otherwise, that further efforts at mediation are no longer justified or on communication by party(ies) in writing, addressed to the mediator and the other parties that they wish to opt out of mediation.

2. **Execution of MSA:** If there is no challenge or a challenge is unsuccessful, the Act ensures that the MSA is binding and enforceable, akin to a judgment or decree. This means that if one party fails to comply with the MSA, the non-defaulting party has a right to enforce it through the Court.
3. **Costs:** The parties shall equally bear all costs of mediation, including the fees of the mediator and the charges of the mediation service provider.
4. **No claim of Interest during Mediation proceedings:** Parties shall not claim any interest on claims/counter-claims from the date of notice invoking Mediation till the execution of the settlement agreement if so arrived. If parties cannot resolve the dispute, either party shall claim no interest from the date of notice invoking Mediation until the date of Termination of Mediation Proceedings.

A. FOR COAL:

(i) Tipper

Formula for calculating Diesel price variation of different combination of lead slabs is as under:

$VF = DR/7.64$ (For a lead of 0-1 km)

$VF = DR/11.24$ (For a lead of 1-2 km)

$VF = DR/14.38$ (For a lead of 2-3 km)

$VF = DR/17.06$ (For a lead of 3-4 km)

$VF = DR/19.28$ (For a lead of 4-5 km)

$VF = DR/21.04$ (For a lead of 5-6 km)

$VF = DR/22.34$ (For a lead of 6-7 km)

$VF = DR/23.18$ (For a lead of 7-8 km)

$VF = DR/23.56$ (For a lead of more than 8 km)

Where

VF = Diesel price variation in Rs. per Te

D = one-way Lead in km,

R = Variation in the price of Diesel from base price in Rs./litre,

Note: 1-2 means $1 < \text{lead} \leq 2$

The above formulae will be applicable for tippers of all capacity

(ii) Excavator (for loading of Coal)

Diesel price variation $VF = 0.113 \times R$

where, R = Variation in the price of Diesel from basic price in Rs./litre)

(iii) Pay Loader (for loading of coal)

Diesel price variation $VF = 0.066 \times R$

(iv) Price variation on diesel (wagon loading):

Diesel price variation $VF = 0.066 \times R$

B. FOR SAND

(i) Tipper

Diesel price variation in Rs. Per Cum $VF = D \times R/9$

Where D = One-way distance in kilometer

R = Variation in the price of Diesel from base price in Rs./litre

(ii) Loading of sand by Pay Loader

Diesel price variation in Rs. Per Cum. $VF = 0.116 \times R$

(iii) Loading of sand by Excavator (backhoe)

Diesel price variation in Rs. Per Cum = $0.25 \times R$

Note: Unit of Diesel price variation (VF) shall be Rs/Te for all formulae mentioned above under clause (A) - COAL and Rs/Cum for all formulae mentioned above under clause (B) – SAND.
