c) Confirmatory Documents: All the confirmatory documents as enlisted in the NIT in support of onlineinformationsubmitted by the bidder are to be uploaded in <u>Cover-I</u> by the bidder while submitting his/her/their bid.

Sl. No.	EligibilityCriteria	Scannedcopyofdocumentsto beuploadedby bidder(s)insupportofinformation/declaration furnished online by the bidder againstEligibilityCriteria(CONFIRMATORY DOCUMENTS)
1	2	3
1	Digital	If the bidder himself is the DSC holder bidding on-line then no document isrequired.
	SignatureCertificat e(DSC)	However,if the DSCholderisbidding online on behalf of the bidderthenthe Power of Attorney or any sort of legally acceptable document for theauthoritytobidonbehalf of thebidder.
2	Undertaking	Undertaking regarding relatives as employees of company, Registration with CMPF /EPF authorities, Banning/ Delisting of Bidder, Arbitration clause (incase of partnership firm), Local supplier status of the Bidder asperclause 8.d. of NIT etc. aspert he format given in the biddocument at Annexure X .
3	Valid ElectricalLicense (For Electricalworksonly):	Valid electrical contractor's license issued by Govt. licensing Board of anystate/UT, but, in the event of work being awarded; the bidder will have toobtain the electrical contractor's license (before execution of agreement)from Jharkhand Licensing Board for working in the state of Jharkhand. ValidElectricallicensesofSupervisor(s)andwiremen/linemen /electrician(s)involvedintheworkis alsorequired.

Note: Only one file in .pdf format can be uploaded against each eligibility criteria. Any additional/ otherrelevant documents to support the information/declaration furnished by bidder online against eligibilitycriteria may also be attached by the bidder in the same file to be uploaded against respective eligibilitycriteria.

d. Letter of Bid: - The format of Letter of Bid is given at Annexure I of Tender document. This will be the covering letter of the bidder for his submitted bid. The bidders have to accept unconditionally the Letter of Bidin GTE (General Technical Evaluation) at the time of bid submission. No recycling will be done for this document i.e. no further clarification will be sought from bidder(s).

e. Price-Bid:-

The Price bid containing the Bill of Quantity will be in Excel format and will be downloaded by the bidder and bidder will quote the rates for all items on this Excel file. Prior to quoting the rates in the BOQ file, the bidder will select the appropriate status from the following drop-down list given in the BOQ:-

- I. Status:GSTRegisteredBidderunderregularscheme
- II. Status:GSTRegisteredBidderundercompositionscheme
- III. Status:GSTunregisteredbidder

The rates quoted by the bidder will be excluding GST and GST component (to be paid by CIL /Subsidiary and/or the bidder) will appear as a separate entity. The component of GST will be taken bythe system based on the status of bidder selected by the bidder during bid submission and with the pre-defined business logic given in the BOQ file by the department. This file will be digitally signed anduploadedbythebidderafter ascertainingthecorrectnessoffactsandfigures.

Thereafter, the bidder will upload the same Excel file during bid submission in cover-II. The Price-bid(excluding GST) will be in Item Rate or Percentage Rate or Mixed Rate [Combination of Item Rate andPercentage Rate] BOQ format and the bidderwill have to quote forall the tendered items. The PriceBid of the tenderers will have no condition. The price bid which is incomplete and not submitted as perinstructiongiveninthisdocumentisliableforrejection.

Systemfor decisionofL1bidder

The L1 bidder will be decided based on Overall Quoted Value (i.e. cost to the Company). The systemfordecision of L1bidderwillbeasperfollowing 02(two) cases:-

<u>Case-1</u>: Supply for which INPUT TAXCREDIT (ITC) is not available to the Company.

For calculation of Overall Bid Value, the GST [CGST, SGST/UTGST, IGST and GST (compensation to state tax)] to be paid by the bidder **or** by CIL/ Subsidiary taken by the system will be <u>added</u>todecide the L1 i.e. the ranking of the Bidders will be decided based on rates quoted by the bidders plusGST. This value of the bidder will be "the Cost to Company".

Then share of GSTto be deposited by CIL/ Subsidiary, if any will be <u>deducted</u> from overall bid valueto arrive at the Contract value. The Price-bids of the tenderers shall have no condition. The Price Bidwhichisincompleteandnotsubmittedasperinstructiongivenaboveisliablefor rejection.

<u>Case-2</u>: Supply for which INPUTTAX CREDIT (ITC) is available to the Company.

For calculation of Overall Bid Value, the GST [CGST, SGST/UTGST, IGST and GST (compensation to state tax)] to be paid by the Bidder **or** by CIL/ Subsidiary taken by the system will be <u>ignored</u> todecide the L1 i.e. the ranking of the Bidders will be decided based on rates quoted by the biddersexcludingGST. This value of the bidder will be "the cost to Company".

Then share of GST to be paid by bidder shall be <u>added</u> with overall bid value to arrive at the Contractvalue. The Price-bids of the tenderers shall have no condition. The Price Bid which is incomplete andnotsubmittedasper instructiongivenaboveisliableforrejection.

Note: The bidder should select their GST category as perclause no. 6.b. of NIT.

f. TechnicalParameterSheet(TPS)(Ifapplicable):

The Technical Parameter Sheet containing the technical specification parameters for the tendered work/service will be in Excel format (password protected) and will be uploaded during tender creation. This will be downloaded by the bidder and he will furnish all the required information on this Excel file. The reafter, the bidder will upload the same Excel file during bid submission in General Technical Evaluation (GTE). The Technical Parameter Sheet which is incomplete and not submitted as perinstruction given above will be rejected.

9. SystemRequirement:

It is the bidder's responsibility to comply with the system requirement i.e. hardware, software and internetconnectivity at bidder's premises to access the e-tender portal. Under no circumstances, CCL shall beliable to the bidders for any direct/indirect loss or damage incurred by them arising out of incorrect use ofthee-tendersystemorinternetconnectivityfailures.

10. OpeningofBid:

Tenderwillbedecryptedandopenedonlinebythe "BidOpeners" with their Digital Signature Certificates on/after the prescheduled date & time of Tender Opening.

11. TenderEvaluation:

- A. After opening of bid, the documents submitted by L-1 bidder in cover I as enlisted in the NIT will bedownloaded by the Evaluator and shall be put up to the Tender Committee. The tender Committee willexamine the uploaded documents against information/declarations furnished by the L1 bidder online. If itconfirms to all of the information/declarations furnished by the bidder online and does not change theeligibilitystatusofthebidderthenthebidderwillbeconsideredeligibleforawardofContract.
- B. In case the Tender Committee finds that there is some deficiency in uploaded documents corresponding to the information furnished online or in case corresponding document have not been uploaded by L-1 bidderthen the same will be specified online by Evaluator clearly indicating the omissions/shortcomings in the the uploaded documents and indicating start date and end date allowing 7 days (7 x 24 hours) time for online re-submission by L-1 bidder. The L-1 bidder will get this information on his personalized dashboard under "Upload confirmatory document" link. Additionally, information shall also be sent by system generatedemail and SMS, but it will be the bidder's responsibility to check the updated status/information on their personalized dash board regularly after opening of bid. No separate communication will be required in this regard. Non-receipt of e- mail and SMS will not be accepted as a reason of non-submission of documents within prescribed time. The L-1 bidder will upload the scanned copy of all those specified documents in support of the information/declarations furnished by them online within the specified period of 7 days. No further clarification shall be soughtfrom L-1 Bidder.
- C. The tender will be evaluated on the basis of documents uploaded by L-1 bidder online. The L-1 bidder is not required to submit hard copy of any document through offline mode. Any document submitted offline will not be given any cognizance in the evaluation of tender.
- D. In case the L-1 bidder submits requisite documents online as per NIT, then the bidder will be considered eligible for award of Contract.
- E. IncasetheL-1bidderfailstosubmitrequisitedocumentsonlineasperNITorifanyoftheinformation/declaration furnished by L-1 bidder online is found to be wrong by Tender Committee duringevaluation of scanned documents uploaded by bidder, which changes the eligibility status of the bidder, thenhisbidshallberejectedandEMD ofL-1bidderwillbeforfeited.
- F. In case the L1 bidder is technically eligible but rejection isdue to high rate quoted by him/her then thetendershallbecancelledandretendered.
- G. In case the L1 bidder is rejected due to noncompliance of confirmatory documents then the L2 bidder willbecome L-1 bidderand confirmatory documents of this biddershall be evaluated by TC and the processshallbefollowed
- H. The process as mentioned at Clause G shall be repeated till the work is either awarded or all the eligiblebiddersareexhausted.
- I. In case none of the bidder complies the technical requirement, then re-tender will be done (with the same ordifferent quantity, asperthein stant requirement).
- J. It is responsibility of Bidders to upload legible/clearly readable scanned copy of all the required documents as mentioned in clause no. 7(b) titled-Confirmatory Documents.
- K. If L1 bidder backs out (i.e. Techno commercially established L1 bidder), the EMD will be forfeited andthebidderwillbedebarredforminimum01 (one)yearfromparticipatingintendersinCCL.
- L. PreferencetoMakeinIndia(asapplicable)videOrderNo.P-45021/2/2017-PP(BE-II)dated04.06.2020,issuedbyGovt.ofIndiaasamendedfromtimetotimeshallbeapplicable. (NOTAPPLICABLEWHEREESTIMATEDCOSTPUTTOTENDERISLESSTHAN5LAKHS.)

In terms with the above said policy, Class-I local suppliers and Class-II local suppliers shall be eligible to bid. Non-local supplier is not eligible to bid. The purchase preference shall be given to Class-I local supplieronly.

In terms of the above said policy, purchase preference shall be given to Class-I local suppliers in thefollowingmanner:

- I. Intheprocurementofworkswhicharedivisibleinnature, the following procedure shall be followed:
- i) Amongallqualifiedbids,thelowestbidwillbetermedasL-1.IfL-1isfromaClass-Ilocalsupplier,thecontractfor fullquantitywillbeawardedtoL-1atL-1pricebythePurchaser.

- ii) If L-1 is not a Class-I local supplier, 50% of the order quantity shall be awarded to L-1. Thereafter, the lowest bidder among the Class-I local suppliers will be invited to match the L-1 price for theremaining 50% quantity subject to Class-I local supplier's quoted price falling within the margin ofpurchase preference, and the contract for that quantity shall be awarded to such local supplier subject his matching the L-1 price. In case such lowesteligible Class-I supplier fails to match the L-1 priceoracceptless than the offerquantity, then exthigher Class-I local supplier within the margin of purchase preference shall be invited to match the L-1 price for remaining quantity and so on, and contract shall be awarded accordingly. In case some quantity is still left uncovered on Class-I local supplier, then such balance quantity may also be ordered on L-1 bidder.
- II. In the procurement of works which are not divisible, and in procurement of services where the bid is evaluated on priceal one, the following procedures hall be followed:-
- i) Among all qualified bids, the lowest bid will be termed as L-1.If L-1 is from a Class-I localsupplier,thecontractwillbeawardedtoL-1.
- ii) If L-1 isnot from a Class-I local supplier, the lowest bidder among the Class-I local suppliers, willbe invited to match the L-1 price subject to Class-I local supplier's quoted price falling within themargin of purchase preference, and the contract shall be awarded to such Class-I local suppliersubjecttomatchingtheL-1price.
- iii) In case such lowest eligible Class-I local supplier fails to match the L-1 price, the Class-I local supplier with the next higher bid within the margin of purchase preference shall be invited to match L-1 price and so on and contract shall be awarded accordingly. In case none of the Class-I local suppliers within the margin of purchase preference matches the L-1 price, then the contract may beawarded to the L-1 bidder.

Note: The confirmation from the bidder regarding matching of L1 price may be taken in confirmatorydocumentlinkofe-Procurementportalbyrecycling 'Anyotherdocument'link.

Verificationoflocalcontent:

- i) All the Biddersat the time of bidding shall submitself-certification indicating the percentageoflocalcontentinthe offereditems.
- ii) CIL/Subsidiary mayconstitute committees with internal and external experts for independent verification of auditor's /accountant's certificates on random basis and in the case of complaints.
- False declarations will attract banning of business of the bidder for a period up to two year and withprocessinlinewithclause19of GTC.
- iv) A local supplierwho has been debarred by any procuring entity forviolation of above ordershallnot be eligible for preference under this Order for procurement by any other procuring entity for theduration of debarment. The debarment for such other procuring entities shall take effect prospectively from the date on which it comes to the notice of other procurement entities.

M. ProcurementfromMicroandSmallEnterprises(MSEs) (APPLICABLEFORNATUREOFSERVICETENDERS)

- Subjecttomeetingtermsandconditionsstatedinthetenderdocumentincludingbutnotlimitingtoprequalification criteria, 25% of the work will be awarded to MSE as defined in MSE Procurement Policyissued by Department of Micro, Small and Medium Enterprises (MSME) for the tendered work/item. Wherethe tendered work can be split, MSE quoting a price within a price band of L1 + 15% shall be awarded atleast 25% of total tendered work provided they match L1 price. In case the tendered work cannot be split,MSE shall be awarded full work provided their quoted price is within a price band of L1 + 15% and theymatchtheL1price.
- ii) In case of more than one such MSEs are in the price band of L1 + 15% and matches the L1 price, the workmay be shared proportionately if the job can be split. If the job cannot be split, then the opportunity to matchthe L-1 rate of the tender shall be given first to MSE who has quoted lowest rate among the MSEs and thetotal job shall be awarded to them after matching the L-1 price of the tender. If the MSE who have quotedlowest rate among the MSEs in the price band of L1+ 15% do not agree to match the rate of L1of thetender, then the MSE with next higher quoted rate in the price band of L1 + 15% shall be given chance tomatch the rate of L1 for award of the complete job. This process to be repeated in till work is awarded toMSEorMSEbiddersareexhausted.
- iii) Outofthe25%targetofannualprocurementfrommicroandsmallenterprises3(three)percentshallbe

earmarked for procurement from micro and small enterprises owned by women. In the event of failure of such MSEs to participate in the tenderprocess ormeet the tenderrequirements and L1 price,3(three)percentsub-targetsoearmarkedshallbe metfromother MSEs.

12. <u>Auto ExtensionofCriticalDate</u>

Ifnumberofbidsreceivedonlineisfoundtobelessthan03(three)onenddate ofbidsubmissionthenthefollowingcriticaldatesoftheTenderwillbeautomaticallyextendedforaperiodof04 (four)daysendingat 17.00hrs.

- Lastdateofsubmission ofBid.
- LastdateofreceiptofEMD.
- DateofOpeningofTender.

Ifany of the above extended Dates falls on Holidayi.e. an on-working day as defined in the e-Procurement Portal then the same is to be rescheduled to the next working day.

This extension will be also applicable in case of receipt of zero bid.

Notes:

- 1. The validity period of tenders hould be decided based on the final end date of submission of bids.
- 2. The auto extension shall work on the basis of number of bids received only. It may so happen that any of these bids may be eventually rejected during Tender Opening, Technical evaluation or furtherprocessof evaluation resulting the total number of valid bids becoming less than 03 (three).
- 3. After extension, the tender shall be opened irrespective of available number of bids on the extendeddateof opening of tender.

13. **OneBidperBidder**:

Each Bidder shall submit only one Bid, either individually, or as a proprietor, or as a partner in a partnershipfirm or as a partner in a joint venture or as a Company registered under Companies Act. ABidder whosubmits or participates in more than one Bid (other than as a sub-contractor or in cases of alternatives thathavebeenpermittedorrequested)willcausealltheproposalswiththeBidder'sparticipation tobedisqualified.

ConflictofInterest

ABiddermaybeconsideredtohaveaConflictofInterestwithoneormorepartiesinthisbiddingprocess,if:

- a) theyhavecontrollingpartner(s) incommon; or
- b) theyreceiveorhavereceivedanydirector indirectsubsidy/financialstakefromanyofthem;or
- c) theyhavethesamelegalrepresentative/agentforpurposesofthisbid; or
- d) they have relationship with each other, directly orthrough common third parties, that puts the minaposition to have a ccess to information about or influence on the bid of another Bidder; or
- e) a Bidder or any of its affiliate participated as a consultant in the preparation of the design or technicalspecificationofthecontractthatisthesubjectof thebid; or
- f) in case of a holding company having more than one Subsidiary/Sister Concern having commonbusinessownership/managementonlyoneofthemcanbid.Biddersmustproactivelydeclaresuchsister/commonbusiness/managementinsame/similarline of Business;

AllsuchBiddershavingaConflict ofInterest, shallbedisqualified.

Note:-JointVentureisnotallowedforparticipationinthebid.

14. SiteVisit:

The bidder, at the Bidder's own responsibilities, cost and risk, is encouraged to visit and examine the Site of Works and its surrounding, approach road, soil condition, investigation report, existing works, if any, connected to the tendered work, drawings connected to the work, if / as available and obtain all information that may benecessary for preparing the Bid and entering into a contract for execution of the works. The cost of visiting the Siteshall beatthe Bidder's own expense.

It shall be deemed that the Bidder has visited the Site/Area and got fully acquainted with the working conditions and other prevalent conditions and fluctuations thereto whether he/she/they actually visits the Site /Area or notandhastakenallthefactors into account while quoting his/her/their rates.

The Bidder is expected, before quoting his rate, to go through the requirement of materials/workmanship, specification, requirements and conditions of contract.

The Bidder, in preparing the bid, shall rely on the site investigation report referred to in the bid document (ifavailable), supplemented by any information available to the Bidder.

15. TaxesandDuties:

All duties, taxes (excluding Goods and Services Tax (GST) & GST Compensation Cess (if applicable) only)and other levies, royalty, building and construction workers cess (as applicable in States) payable by thebidder/Contractor under the Contract, or for any other cause as applicable on the last date of submission ofBid, shall be included in the rates, prices and the total Bid Price submitted by the Bidder. Applicable GST, ifany, either payable by bidder or by company under reverse change mechanism shall be computed by systeminBOQsheetasperpredefinedlogic.

All investments, operating expenses, incidentals, overheads, leads, lifts, carriages, tools and plants etc. asmay be attendant upon execution and completion of works shall also be included in the rates, prices and totalBidpricesubmittedbythebidder.

However, such duties, taxes, levies etc. which is notified after the last date of submission of Bid and/or anyincrease over the rate existing on the last date of submission of Bid shall be reimbursed by the company onproduction of documentary evidence in support of payment actually made to the concerned authorities.

Similarly, if there is any decrease in such duties, taxes and levies the same shall become recoverable from the contractor. The details of such duties, taxes and other levies along with rates shall be declared by the bidder.

The item wise rate quoted by bidder shall be inclusive of all taxes, duties & levies but excluding GST &GST Compensation Cess, if applicable. The payment of GST and GST Compensation Cess by service availer (i.e. CIL/Subsidiary) to bidder/contractor (if GST payable by bidder/contractor) would be made only on the latter submitting a Bill/invoice in accordance with the provision of relevant GST Act and the rules made the rule

Further, any GST credit note required to be issued by the bidder / contractor under the GST provisions should be issued within the time limit prescribed under the GST law.

However, in case bidder/contractor is GST unregistered bidder/dealer or GST registered under compositionschemeincompliancewithGSTrules,thebidder/dealershallnotchargeanyGSTand/ orGSTCompensation Cess on the bill/invoice. In case of unregistered dealer/bidder, GST, if applicable will bedepositedbyCIL/SubsidiarydirectlytoconcernedauthoritiesintermswithGSTprovisions.

Input taxcreditis tobeavailedbyCIL/Subsidiaryasperrule.

If CIL/Subsidiary fails to claim Input Tax Credit(ITC) on eligible Inputs, input services and Capital Goodsor the ITC claimed is disallowed due to failure on the part of supplier/vendor of goods and services inincorporating the tax invoice issued to CIL/Subsidiary in its relevant returns under GST, payment of CGST& SGST or IGST, GST (Compensation to State) Cess shown in tax invoice to the tax authorities, issue ofproper tax invoice or any other reason whatsoever, the applicable taxes &cess paid based on such Taxinvoice shall be recovered from the current bills or any other dues of the supplier/vendor along with interestandpenalty, if any.

The rates and prices quoted by the Bidder shall be fixed for the duration of the contract and shall not besubject to variations on any account except to the extent variations allowed as per the conditions of the contract of the bidding document.

The company reserves the right to deduct/ withhold any amount towards taxes, levies, etc. and to deal withsuch amount in terms of the provisions of the Statute or in terms of the direction of any statutory authority and the company shall only provide with certificate towards such deduction and shall not be responsible for any reason what so ever.

In case of collection of minor minerals in area (both virgin and non-virgin), acquired by the Company underthe Coal Act, the contractor will have to produce a royalty clearance certificate from the District Authorities before full and final payment.

Further, where any damages or compensation becomes payable by either the Company or the bidder /contractor pursuant to any provision of this Agreement, appropriate GST whereverapplicable as per the GST provisions inforces hall also applyinaddition to such damages or compensation.

Note:

During the execution of the contract if the GST status of the bidder changes, then the payment of GST, if any,to the contractor will be made as per the GST status declared by the bidder during tender stage based on whichcosttocompanyhasbeenascertainedoratactuals, whicheverislower.

16. CostofBidding:

The bidders hall be a rall costs associated with the preparation and submission of his bid and the Employer will inno case ber esponsible or liable for those costs.

17. <u>Technical Specifications</u>:

Thetenderershallcloselystudyallspecifications in detail, which govern the rates for which he is tendering.

18. Currencies of Bid and Payment:

TheunitratesandpricesshallbequotedbytheBidderentirelyinIndianRupeesonly.

19. HandingOverofSite:

On completion of the work all rubbish, debris, brick bats etc. shall be removed by the contractor(s) athis/their own expense and the site cleaned and handed over to the company and he/they shall intimateofficially of having completed the work as percontract.

20. <u>DeploymentofManpowerandMachineries:</u>

The tenderer(s) will deploy sufficient number and size of equipment/machineries/vehicles and the technical/supervisorypersonnelrequiredforexecutionofthework.

21. <u>ChangeinConstitutionoftheContracting Agency</u>:

Prior approval in writing of the company shall be obtained before any change is made in the constitution ofthecontractingagency, otherwise it will be treated as a breach of Contract.

22. <u>CanvassinginTender:</u>

Canvassing in connection with the tenders in any shape or form is strictly prohibited and tenders submittedbysuchtendererswhoresorttocanvassingshallbeliableforrejection.

23. <u>LetterofAcceptance(LOA)/WorkOrder/Agreement:</u>

The Bidder, whose Bid has been accepted, will be notified /communicated by the Employer electronicallyonline on the e-procurement portal of CIL/ Subsidiary prior to expiration of the Bid validity period. The L-1 bidder will get the information regarding award of work on their personalized dash-board on-line. Onreceipt of Letter of Acceptance (LOA)/Work Order of the tender issued by the Company, the successfultenderer shall execute contract agreement in the company's prescribed form for the due fulfilment of thecontract. Failure to enterinto the required contract within the specified period in the work ordershallentail cancellation of LOA/work order and forfeiture of the Earnest Money. In addition, the departmentshall debar the bidder from participating in future bids for at least 12 months as per Guidelines of BanningofBusiness.

24. **BidValidity**:

The validity period of the tenders shall be 120(One Hundred Twenty)days from the end date of bidsubmission.

In exceptional circumstances, prior to expiry of the original time limit, the Employer may request thebidders to extend the period of validity for a specified additional period. The employer's request and thebidder's responses shall be made in writing. A bidder may refuse the request without forfeiting his bidsecurity. Abidderagreeing to the request will not be required or permitted to modify his bid.

The tenderer shall not, during the said period or within the period extended by mutual consent, revoke orcancel his tender or alter the tenderor any terms/conditions thereof without consent in writingof thecompany. In case the tenderer violates to abide by this, the Company will be entitled to take action as perclauseNo.25(ModificationandWithdrawalofBid)ofNIT.

25. Modification and Withdrawal of Bid:

Modification of the submitted bid shall be allowed online only before the deadline of submission of tenderandthebiddermaymodifyandresubmitthebidonlineasmanytimesashe maywish.

Biddersmay withdraw theirbids online within the end date of bid submission and their EMD will berefunded. However, if the bidder once withdraws his bid, he will not be able to resubmit the bid in that particular tender. For withdrawal of bid after the end date of bid submission, the bidder will have to make arequest inwriting to the Tender Inviting Authority.

Withdrawal of bid may be allowed till issue ofwork order/LOA with the following provision of penalaction:

- 1. thebidder's EMD will be for feited
- 2. the bidder will be debarred for 1 (one) year from participating intenders in CCL.

The Price-bid of all eligible bid der sincluding this bid der will be opened and action will follow a sunder:

i) If the bidder with drawing his bid is other than L 1, the tender process shall go on.

ii) Ifthebidderwithdrawinghis bidisL-1,thenre-tenderwillbedone.

Note:

In case of above, a letter will be issued to the bidder by Tender Inviting Authority with the approval of Tender Accepting Authority (in case Board is Tender Accepting Authority then with the approval of CMD), stating that the EMD of bidder is for feited, and the bidder is debarred for one (1) year from participating intenders in CCL.

This letter will be circulated to all Areas and CIL/Subsidiary HQ. and the updated list will be maintained by all Tender Inviting Authority/Evaluators.

Penalactionagainst clauses above will be enforced from the date of issue of such order.

iii) The standard operating procedure to handle withdrawal of bid afterend date of submission is shallbeasClauseno14of ChapterI.

26. <u>StandardOperatingProcedureforWithdrawalofBid</u>:

I. The Mode of withdrawal:

A. OnlineWithdrawalofBids:

- a. The system of online withdrawal is available on the portal up to end date of bid submission, whereanybiddercanwithdrawhis/herbidwhichwillattractnopenalactionfromdepartmentside.
- b. The system of online withdrawal beyond end date of bid submission and till award of contractisalso available but not fully functional and under developmentstage. Once it is developed and implemented only online withdrawal shall be considered except for some exceptional cases as mentioned in clause below.

B. OfflineWithdrawalofBids:

- a. A partner of bidder (in case of partnership firms) whose DSC is registered on the e-Procurementportal canaccess the portal foronline with drawal but when there is a split in the business relations hip, the partners whose DSC is not registered on the portal do not have the option of online with drawal of bid. Hence such partners may opt to use offline method of with drawal of his/her offer (or express his disassociation from the bidder or ganization).
- b. Till a fully functional system of online withdrawal of bid (beyond end date of bid submission and tillawardofcontract)isnotdevelopedandimplemented,offlinewithdrawalshallalsobeconsidered.

II. AcceptanceofwithdrawalbyTenderCommittee:

- A. EverycaseofwithdrawalunderClauseI-(A)(b)andClauseI-(B)shallbeputuptoTenderCommitteefordeliberationandfurthercourseof action.
- B. The Tender Committee shall apply its due diligence to decide:
 - a. Whether the request for withdrawal of offer has been received from right source and authentic. Forthis purpose, a letter is to be sent by registered post/speed post to the bidder on the address as givenby him in the enrollment page of e-Procurement portal, allowing 10 days' time to confirm the withdrawal. If the bidder does not confirm the withdrawal within the stipulated period then it shouldbe construed that there is no withdrawal of bid. In case the withdrawal/disassociation from the firm(Partnership firm) has been submitted by any other partner then also the confirmation has to besoughtfromthebidderandifbidderwantstodenythewithdrawal/disassociationfromthepartnership firm then the bidder shall be required to furnish a legally acceptable document signed by allthepartnersofthefirmtosubstantiatehisclaim.
 - b. Whether the withdrawal is due to the reason other than to support any mala fide intention of anyparticipatingbiddersuchasparticipatingorsupportingacartelformationetc.
 - c. If the mala fide intentions in the withdrawal are apprehended then the tender should be cancelledapart from other penal action as per e-Procurement Manual for works and services of CIL and otherguidelines/manualsof CIL.
 - d. If no mala fide intentions in the withdrawal are apprehended then the penal action in line with the the prescriptions of the e-Procurement Manual forworks and services of CIL will be applicable.

The Tender Committee may also obtain the opinion of legal department in order to ascertain the legal courseof actionincase of ClauseII-(B)(b) andII-(B)(c)above.

27. <u>Postponementofscheduleddate(s):</u>

The Company reserves the right to postpone the date of receipt and opening of tenders or to cancel thetenderswithoutassigninganyreasonwhatsoever.

28. PublicEnterprisespreference:

The Company reserves its right to allow Public Enterprises purchase preference facility as admissible underprevailing policy.

29. ContractAgreementDocument(s):

ThisTenderNoticeshallbedeemedtobepartoftheContractAgreement.The"GeneralTerms&Conditions",Additio nalTerms&Conditions,SpecialTerms&Conditions(ifany),TechnicalSpecifications, drawings (if any) and any other document uploaded on portal as NIT document forms anintegral part of this NIT and shall also form a part of the contract agreement as per clause 2 of the 'GeneralTermsandConditions'of 'ConditionsofContract'.

30. Sub-lettingofWork:

No subletting of work as a whole by the contractor is permissible. Subletting of work in piece rated jobs is permissible with the prior approval of the department.

The Contract Agreement will specify major items of supply or services for which the contractor proposes toengage sub-contractor/sub-vendor. The contractor may from time to time propose any addition or deletionfrom any such list and will submit proposals in this regard to the Engineer-in-Charge/Designated Officer-in-charge forapproval well in advance so as not to impede the progress ofwork. Such approval of the Engineer-in-Charge/Designated Officer-in-Charge will not relieve the contractor from any of his obligations, duties and responsibilities under the contract.

31. Prohibition of Child Labouren gagement:

The contractor/contractual Agencies must not engage any Child Labour during the course of execution of the contract work within the meaning and scope of the Child Labour Prohibition & Regulation Act-1986 and its relevant Act and Rules amended from time to time by the Govt. of India.

32. <u>ImplementationofCMPF/EPF:</u>

The tenderer shall have to ensure implementation of CMPF/EPF, if applicable, in respect of the workersdeployedbyhimasdetailedinthetenderdocument.

33. Splittingupofthework:

The Company does not bind itself to accept the lowest tender and reserves the right to reject any or all thetenders without assigning any reasons whatsoever and to split up the work between two or more tenderer(s)oracceptthetenderinpartandnotinitsentirety.

34. <u>SettlementofDisputes:</u>

Matters relating to any dispute or difference arising out of this tender and subsequent contract Awardedbased on this tender, shall be dealt as perClause No.16- title- 'Settlementof Disputes' of the 'GeneralTermsandConditions' of 'Conditions of Contract' of the tender document.

35. RestrictionsonProcurementfromabidder ofacountrywhichsharesalandborderwithIndiaandonsub-contractingtocontractorsfromsuchcountries:

Applicable GST, if any, either payable by bidder or by company under reverse change

mechanism shall be computed by system in BOQ sheet as per predefined logic.

All investments, operating expenses, incidentals, overheads, leads, lifts, carriages, tools and plants etc. as maybe attendant upon execution and completion of works shall also be included in the rates, prices and total Bidpricesubmittedbythebidder.

However, such duties, taxes, levies etc. which is notified after the last date of submission of Bid and/or anyincrease over the rate existing on the last date of submission of Bid shall be reimbursed by the company onproduction of documentary evidence in support of payment actually made to the concerned authorities.

Similarly, if there is any decrease in such duties, taxes and levies the same shall become recoverable from the contractor. The details of such duties, taxes and other levies along with rates shall be declared by the bidder.

The item wise rate quoted by bidder shall be inclusive of all taxes, duties & levies but excluding GST & GSTCompensation Cess, if applicable. The payment of GST and GST Compensation Cess by service availer (i.e.CIL/Subsidiary) to bidder/contractor (if GST payable by bidder/contractor) would be made only on the lattersubmitting a Bill/invoice in accordance with the provision of relevant GST Act and the rules made there underand afteronline filingofvalid return on GSTportal.Paymentof GST&GSTCompensation Cessisresponsibility of these rvice provider/contractor.

Further, any GST credit note required to be issued by the bidder / contractor under the GST provisions shouldbeissuedwithinthetimelimitprescribedundertheGSTlaw.

However, in case bidder/contractor is GST unregistered bidder/dealer or GST registered under compositionscheme in compliance with GST rules, the bidder/dealer shall not charge any GST and/or GST CompensationCesson the bill/invoice.In case of unregistered dealer/bidder,GST,if applicable will be depositedbyCIL/SubsidiarydirectlytoconcernedauthoritiesintermswithGSTprovisions.

Input tax creditistobeavailedbyCIL/Subsidiaryas perrule.

IfCIL/Subsidiary fails to claim Input Tax Credit(ITC) on eligible Inputs, input services and Capital Goodsor the ITC claimed is disallowed due to failure on the part of supplier/vendor of goods and services inincorporatingthetaxinvoice issued to CIL/Subsidiaryinits relevant returns under GST, payment of CGST &

SGST or IGST, GST (Compensation to State)Cess shown in tax invoice to the tax authorities, issue of propertax invoice or any other reason whatsoever, the applicable taxes &cess paid based on such Tax invoice shallbe recovered from the current bills or any other dues of the supplier/vendor along with interest and penalty, ifany.

The rates and prices quoted by the Bidder shall be fixed for the duration of the contract and shall notbesubject to variations on any account except to the extent variations allowed as per the conditions ofthecontractof thebidding document.

The company reserves the right to deduct/ withhold any amount towards taxes, levies, etc. and to deal withsuch amount in terms of the provisions of the Statute or in terms of the direction of any statutory authority andthe company shall only provide with certificate towards such deduction and shall not be responsible for anyreasonwhatsoever.

In case of collection of minor minerals in area (both virgin and non-virgin), acquired by the Company underthe Coal Act, the contractor will have to produce a royalty clearance certificate from the District Authorities before full and final payment.

Further, where any damages or compensation becomes payable by either the Company or the bidder/contractor pursuant to any provision of this Agreement, appropriate GST wherever applicable as per the GST provisions inforces hall also applying addition to such damages or compensation.

Note:

DuringtheexecutionofthecontractiftheGSTstatusofthebidderchanges,thenthepaymentofGST,ifany,to the contractor will be made as per the GST status declared by the bidder during tender stage based onwhichcosttocompanyhasbeenascertainedoratactuals,whicheverislower.

10.4. The rates and prices quoted by the Bidder shall be fixed for the duration of the contract and shall not besubject to variations on any account except to the extent variations allowed as per the conditions of the contract of the bidding document.

11. CURRENCIESOFBIDANDPAYMENT

Theunitrates and prices shall be quoted by the Bidderentirely in Indian Rupees.

12. BIDVALIDITY

The Bid Validity Period will be 120 (one hundred twenty) days from the end date of bid submission. The validityperiod of tender shall be decided based on the final end date of submission of bids. Bid validity for a shorter periodshallberejectedbytheemployer.

In exceptional circumstances, prior to expiry of the original time limit, the Employer may request that the bidder(s) extend the period of validity for a specified additional period. The request and the bidder's response shall be inwriting. A bidder may refuse the request without forfeiting his bid security. A bidderagreeing to the request will notberequired or permitted to modify his bid.

13. BIDSECURITY/EARNESTMONEYDEPOSIT

The bidders hall furnish, as part of his bid, a Bid Security/Earnest Money of the amount as shown inetender Notice and in the form as deliberated at Clause 3 of e-tender Notice.

AnyBidnotaccompaniedbyanacceptableBidSecurity/EMDshallbesummarilyrejectedbytheemployerasnon-responsive.

The bidsecurity/EMD, of successful bidder may be retained and adjusted with performance security/security deposit, at bidder's option.

TheBidSecurity/EarnestMoneymaybeforfeited:

(a) if the Bidder withdraws the Bid after Bid opening during the period of Bid validity/extended validitywithmutual consent;

ΩR

(b) inthecaseofasuccessfulBidder,iftheBidderfailswithinthespecifiedtimelimitto:

(i) sign the Agreement; **OR** (ii) Furnish the required Performance Security/ Security Deposit.Additionally,thecompanyshallbansuchdefaultingcontractorfromparticipatinginfuturetendersin concernedSubsidiary/CILHQforaperiodofminimumoneyearfromthedateofissueofsuchletter.

Incase of JV/Partnership firm, the banning shall also be applicable to all individual partners of JV/Partnership firm.

TheBidSecurity/EMDdepositedwiththeEmployerwillnotcarryanyinterest.

No claim from the bidders will be entertained for non-receipt of the refund in any account other than the one fromwherethemoney is received.

If the refund of EMD is not received by the bidder in the account from which the EMD has been made due to anytechnical reason, then it will be paid through conventional system of e-payment. For this purpose, bidder shouldsubmitE-Mandateforminformatprovidedby company.

In case the tender is cancelled then EMD of all the participating bidders will be refunded unless it is forfeited by thedepartment.

If the bidder withdraws his/her bid online (i.e. before the end date of submission of tender) then his/her EMD willberefundedautomaticallyafterthe opening oftender.

14. DEADLINEFORSUBMISSIONOFBIDS

Bids shall be submitted online on the web site https://coalindiatenders.nic.in within the date and time specified in thee-TenderNotice.

The employer may extend the deadline for submission of bids by issuing a corrigendum in accordance with provisions of e-tender Notice/ITB, in which case all rights and obligations of the employer and the bidders previously subject to the original deadline will then be subject to the new deadline.

15. SIGNINGANDSUBMISSIONOFBID

The Letter of bid will be digitally signed by DSC holder submitting bid online and it does not require any physical signature. However, if the Contractor's bid bears the physical signature in addition to the digital signature of DSCholder, it will be accepted without questioning the identity of personsing ing the bid.

Submissionofbidshallbeas detailedatClauseNo.7ofe-TenderNotice.

16. EVALUATIONAND COMPARISONOFBIDS.

Evaluation and comparison of Bids will be done by System online. This online evaluation will be validated by CCLat each stage as deliberated at Clause No.13 &14 of e-Tender Notice. The bidder shall also comply with systemrequirementasdeliberated at Clause No.9of e-TenderNotice.Bid evaluation shall be done aftertaking intoconsideration overall quoted price by the bidder and effect of Goods and Services tax (GST), GST CompensationCessetc.asapplicable.L1willbedecidedbasedoncosttothecompany.

If the Bidofthe successful Bidderisseriously unbalancedin relation to the Company's estimate of the cost of work to be performed under the contract, the Employer may require the Bidder to produce detailed price analysis for any or all items of the Bill of Quantities, to demonstrate the internal consistency of those prices with the methods and schedule proposed.

Afterevaluation of the price analysis, the company may require that the amount of the performance security/security deposit is increased at the expense of the successful bidder to a level sufficient to protect the company against financial loss in the event of default on the part of the successful bidder under the contract.

Justified price shall be finalized by the owner on the basis of prevalent market rate of materials and labouranalyzed as per standard analysis of rate of circulated by CIL or Subsidiary, and shall be binding on thebidder.

17. AWARDCRITERIA

17.1 Subject to Clause No.18, the Employer will award the Contract to the Bidder whose Bid has been determined to be substantially responsive to the Bidding documents and who has offered the lowest evaluated acceptableBidPrice,providedthatsuchBidderhasbeendeterminedtobe:

- a) Eligibleinaccordancewiththeprovisions of Clause 2 of ITB; and
- b) QualifiedinaccordancewiththeprovisionsofClause3 of ITB.

The Tender Committee will recommend for award of work to the successful bidder after evaluating their technicaleligibility based on the computer-generated evaluation sheets followed by evaluation of the scanned documentsuploadedbyL-1bidderinsupportoftheinformationfurnishedbythemonlineandafterevaluation ofthereasonableness of L-1 rates. The reasonableness of rateswill be evaluated as perthe provisions of Manual of CILandotherguidelinesissuedfromtimetotime.

After competent approval and financial concurrence of TCR, the work order to the L-1 bidder will be issued and thescanned copy of the Work Order will be uploaded on the e-Procurement portal and simultaneously the original copywillbesenttothebidderthroughregistered/speed post.

18. EMPLOYER'SRIGHTTOACCEPTANYBID, NEGOTIATEANDTOREJECTANYORALLBIDS

Notwithstanding Clause No.17, the Employer reserves the right to accept, negotiate or reject any Bid, and to cancelthe bidding process and reject all Bids, at any time prior to the award of Contract, without thereby incurring anyliability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders of the groundsfortheEmployer'saction.

19. NOTIFICATIONOFAWARDANDSIGNINGOFAGREEMENT

19.1 The Bidder, whose Bid has been accepted, will be notified /communicated by the Employer electronicallyonlineonthee-

procurementportalofCILpriortoexpirationoftheBidvalidityperiod.  - b) 8% of the security (performance security and retention money) deposited / deducted from the bills of the contractors, relevant to the item(s), shall be refunded to him after expiry of Guarantee period. These curity amount relevant to the item(s) of work, may be released after 12 months of completion of workagainst equivalent BG and furnishing Guarantee as at (a) above.
- 4.10 Refundofsecuritydepositforcontractswithsupplyinstallationandcommissioningofequipment i.e. with Mechanical & Electrical Works (shall be applicable only when relevant item exists in the contract)

For contracts of Mechanical and Electrical works. For such works 8% as security deposit (performancesecurity and retention money)- deposited / deducted from the bills of the contractors shall be refunded to him after expiry of guarantee period, which will be one year from the date of commissioning of equipment/completion of work and/orrectification of any defectwhichmay be detected in the individual equipment for the whole system under the contract, which ever is later.

In addition, all typesofmanufacturers guarantee/warrantywhereverapplicable are to be issued/revalidated in the name of the owner by the contractual agency and will be covered with relevant counterguarantee. Bank guarantees furnished against Performance Security and Retention Money shall be validated for aperiod 90 days beyond the guarantee period.

5. Deviations/VariationsinQuantitiesandPricing.

The quantities given in the "Schedule of Quantities" are based on estimates and are meant to indicate the extent of the work and to provide a uniform basis for tendering and anyvariation either byadditionoromissionshall not vitiate the contract.

5.1 ThecompanythroughitsEngineer-in-

Chargeorhisrepresentativeshall, without radically changing the original scope and nature of the work, under contract, have power to make any alterations in or additions to or substitution of the original specifications, drawings, designs and instructions that may appear to be necessary or advisable during the progress of the work.

The contractor shall be bound to carry out the work(s) in accordance with the instructions given to him in writing by the Engineer-in-Charge or his representative on behalf of the company. Such altered or additional or substituted work, which shall form part of the original contract, shall be carried out by the contractor on the same terms and conditions in all respects on which they agreed to do the mainwork and at the same rate/rates as a respect field in the contract work-order.

- 5.2 The right is reserved to cancel any items of work included in the contract agreement or portionthereof in any stage of execution if found necessary to the work and such omission shall not be awaiverofanyconditionofthecontractnorinvalidateanyoftheprovisionsthereof.
- 5.3 If the additional, altered or substituted work includes any class of work for which rate/rates is/arenot specified in the contract/work order, rates for such items shall be determined by the Engineer-in-Chargeasfollows:
 - a) In the case of percentage tenders, if the rate for the extra item of work executed is available in the company's approved SOR, it will be paid at the schedule rate plus or minus the accepted percentage as percontract.

However, if the extra item is not available in company's approved SOR, then the rate for suchextraitem(s)shallbe dealtasat(c)below.

b) In case of item rate tenders, the rate for extra item shall be derived from the rate for similaritem or near similar item / class of work available in the agreement schedule of work or byanalysis of rates as at below and the lower rate out of the above two shall be considered.

In case of composite item rate tenders, where two or more schedule of quantities for similaritem description may form part of the contract, the applicable rates shall be taken from the Schedule of Quantities of that particular part in which the deviation is involved, failing that atthelowestapplicable rate for the similaritem of work in the other schedule of quantities.

For derivation of rates based on analysis, the same shall be done by analysis on prevalent marketrate ofmaterials and labourbased on standard norms of analysis of rate issued by CIL or subsidiary.

- c) In the case of extra item(s) that are completely new, and are in addition to the items contained in the contract, the contractor may within 15 days of receipt of order or occurrence of the item(s) claim rates, supported by proper analysis. The Engineer-in-Charge shall determine therate(s) by analysis based on prevalent market rate of material and labour and on standard norms of analysis of rate is sued by CIL or subsidiary.
- d) In case of combined tender with partly item rate for non-schedule items & partly percentagetenders for SOR items, the rate for extra item shall be derived as at (b) & (c) above in case ofnon-schedule items rates and in case ofpercentage rates for SOR items the rate for extra itemshallbederivedasat(a)above.

In case of any difference between the contractor and the Engineer-In Charge as to the fixation ofrates, the matter shall be referred to the accepting authority of the company i.e. GM(Excv) of the company or Staff Officer(Excv) for the work awarded at Company Hqrs. level and Area levelrespectively, whose decisionshallbefinal and binding on the contractor.

- 5.4 Alteration in the quantities shall not be considered as a change in the condition of the contract norinvalidateanyoftheprovisionthereofprovidedthatadeviationestimate/revisedestimate/supplementary agreement for the item(s) involved is made. Such approval shall be from appropriateauthority.
- 5.5 Payment for such deviated items [additional/ altered / substituted items of work of the agreementschedule]shall bemadein the contractors runningon accountbills,till the revisedestimate/deviation estimate regularizing these items are sanctioned by the competent authority of the company,attheprovisional ratesandshallnotexceed:
- a) 75%oftheraterecommended by the Engineer-in-Charge to the accepting authority of the company i.e. GM(Excv) of the company or SO(Excv) of the Area, if the rate is directly available in the SOR of the company/if the rate is directly available in the SOR of the company/if the rate is directly available.
- b) 50%oftheraterecommended by the Engineer-in-Charge to the accepting authority of the company, i.e. GM(Excv) of the company or SO(Excv) of the Area, if it is analyzed item rates based on prevalent market rates of materials and labour following is sued by CIL or subsidiary.

Total payment for such extra items of work shall not exceed 10% of work order / agreement value /approved deviation estimate value. Also, total payment including extra items of work shall notexceedtheworkorder/agreement/approveddeviation estimate.

- 5.6 The time of completion of the originally contracted work shall be extended by the company in the event of any deviation resulting in additional cost over the awarded value, if requested by the contractor as follows: -
 - (i) In the proportion which the additional cost of the altered, additional or substituted work (invalue)bearstotheoriginaltenderedvalueplus.
 - (ii) 25% of the time calculated in (i) above or such further additional time as may be considered reasonable by the Engineer-in-Charge.

5.7 ThecompanythroughitsEngineer-in-

Charge or his representative, on behalf of the company, shall have power too mit any part of the work in case of non-availability of a portion of the site or for the company of the com

any other reason and the contractor shall be bound to carry out the rest of the work in accordance withthe instructions given by the Engineer-in-Charge. No claim from the Contractor shall be entertained/acceptedonthese grounds.

In the event of any deviation being ordered which in the opinion of the contractor changes radicallythe original scope/nature of the contract, the contractor shall under nocircumstances suspend thework,eitheroriginaloralteredorsubstituted,andthe dispute/disagreementasto thenature ofdeviation and the rate/rates to be paid forsuch deviations shall be resolved separately with thecompanyaspertheprocedures/normslaiddownhereafter.

6. TimeforCompletionofContract,Extensionthereof, DefaultsandCompensationforDelay

Time is the essence of the contract and as such all works shall be completed within the time stipulated in the contract/work order. The work shall, throughout the stipulated period of contract, be carriedoutwithall duediligence onthepart of the contractor.

Immediately after the contract is concluded i.e. LOA / Work Order is issued, the Engineer-in-Chargeand the contractorshall agree upon adetailed timeand progress chart prepared based on BARCHART/ PERT CPM techniqueson the basis of a construction schedule submitted by the contractorat the time of executing contract showing the order in which the work is proposed to be carried outwithinthetime specifiedintheLOA/workorder.

Forthepurposeofthisdetailedtimeandprogresschart, theworkshallbedeemedtohavecommenced on the expiry of 10* (ten) days from the issue of Letter of Acceptance of Tender or7(seven) days after handing over the site of work or handing over reasonable number of workingdrawings to the contractor or the period of mobilization allowed in the work order for starting thework in special circumstances, whichever is later. However, the Date of Commencement may bedecidedwithmutualconsentwiththeContractorprior to the dateasprescribedabove.

If the contractor, without reasonable cause or valid reasons, commitsdefaultin commencing the work within the aforesaid time limit, the company shall, without prejudice to any other rightor remedy, be at liberty, by giving 15 day's notice in writing to the contractor to commence thework, failing which to forfeit the Earnest Money deposited by him and to rescind the Letter of Acceptance of Tender/Work Order and also to debar the contractor to take part in the future re-tender.

Additionally, the company shall debar such defaulting contractor from participating in futuretendersinCCLforaperiodofminimum01(One)Yearfromthedateofissueofsuchletter.

In case of Partnership firm, the banning shall also be applicable to all individual partners of Partnership firm.

If the contractor fails to complete the work and clear the site on or before the date of completionorextended date of completion, he shall without prejudice to any other right or remedy available

underthelawtothecompanyonaccountofsuchbreach,payascompensation(LiquidatedDamages):

- $i) @ halfpercent(\frac{1}{2}\%) of the contract amount/Revised Contract amount which ever is less, per week of delay. \\$
- ii) ½ % of the contract-value of group of items/ revised completion value of group of items whicheverisless, perweek of delay, for which as eparate period of completion is originally given.

Theaggregateofsuchcompensation/compensationsshallnotexceed:

i) 10%(ten)percentofthetotalamountofthecontract/Revised contractamount, whichever is less.

OR

ii) 10%ofthecontract-valueofgroupofitems/revisedcompletionvalueofgroupofitemswhicheverisless,forwhichaseparateperiodofcompletionisorigin allygiven.

The amount of compensation may be adjusted or set off against any sum payable to the contractorunder thisoranyothercontractwiththecompany.

The company, if satisfied, that the works can be completed by the contractor within a reasonable time after the specified time of completion, may allow further extension of time at its discretion withor without the levy of L.D. In the event of extension granted being with L.D, the company will been titled without prejudice to any other right or remedy available in that behalf, to recover from the contractor as agreed damages equivalent to half percent of the contract value of the works for each weeks or part of the works for each weeks or part of the works agreed to a contract value of the works for each weeks or part of the works for each weeks or part of the works of the works for each weeks or part of the works of the works for each weeks of the works of the

The company, if not satisfied that the works can be completed by the contractor, and in the event offailure on the part of the contractor to complete work within further extension of time allowed asaforesaid, shall be entitled, without prejudice to any other right, or remedy available in that behalf, torescindthe contract.

The company, if not satisfied with the progress of the contract and in the event of failure of the contractor to recoup the delays in the mutually agreed time frame, shall be entitled to terminate the contract.

In the event of such termination of the contract as described in clauses 6.2.2 or 6.2.3 or both, the company, shall be entitled to impose penalty/LD as deliberated at Clause 10. Additionally, the company shall ban such defaulting contractor from participating in future tenders in CCL for a period of minimum 01 (One) Year from the date of issue of such letter.

In the event of recovery of any claim towards LD charges, penalty, fee, fine or any other charges from the supplier/vendor, the same will be recovered along with the applicable GST and the amount shallbe adjusted with the payment to be made to the supplier/vendor against their bill/invoice or anyotherdues.

FurtherEarnestMoney/PerformanceSecurityforfeitedwillbeinclusiveofGST

The company may at its sole discretion, waive the payment of compensation on request received from the contractor indicating valid and acceptable reasons if the entire work is completed within the date as specified in the contract/work order or as validly extended date without stipulating any compensation for delay.

Extension of date of completion: On occurrences of any events causing delay as stated here-under, the contractors hall in timate immediately inwriting to the Engineer-in-Charge.

a) ForceMajeure:

i) Naturalphenomenalikeunprecedentedfloodanddraught,earthquakes&epidemics.

ii) Politicalupheaval, civil commotion, strikes, lockouts, acts of any Govt. (domestic/foreign) including but not limited towar, proprieties, and quarantine embargoes.

The successful bidder/ contractor will advise in the event of his having to resort to this clause by aregistered letter duly certified by the local chamber of commerce or statutory authorities, thebeginning and end of the cause of delay, within fifteen days of the occurrence and cessation of such Force Majeure condition.

In theeventofdelay due to Force Majeure formore than onemonth thecontract may beterminated atthediscretion of the company. Termination undersuch circumstances will be without any liability one itherside.

For delays arising out of Force Majeure, the bidder / contractor will not claim extension incompletion date for a period exceeding the period of delay attributable to the clauses of ForceMajeure and neither company nor bidder/ contractor shall be liable to pay extra cost(likeincrease in rates, remobilization advance, idle charges for labour and materials etc.) provided it ismutuallyestablishedthatForcemajeureconditionsdidactuallyexists.

- **b)** Seriouslossordamagebyfireandabnormallybadweather.
- c) Non-availability of stores which are the responsibility of the company to supply a spercontract.
- **d)** Non-availability of working drawings in time, which are to be made available by the company aspercontractduringprogressofthework.
- **e)** Delay on the part of the contractors or tradesmen engaged by the company notforming partofthecontract, holding up further progress of the work.
- f) Non-availability or breakdown of tools and plant to be made available or made available by the company.
- g) The execution of any modified or additional items of work or excess quantity of work.
- h) Any other causes which, at the sole discretion of the company, is beyond the control of the contractor.
- **6.4.1** A HINDRANCEREGISTERshall bemaintained by bothdepartmentand thecontractoratsitetorecordthevarioushindrances, asstated above, encountered during the course of execution

Hindrance register will be signed by both the parties. The contractor may also record his observations in the Hindrance Register. In case the contractor has a different opinion for hindrance and a disputearises then the matter would be referred to the EIC and or the next higher authority whose decisionwould be final & binding on the contractor & the decision to be communicated within 15 days.

- **6.4.2** The contractor shall request the company in writing for extension of time within 15 days ofhappening of such event causing delay stating also, the period for which extension is required. The company may, considering the genuinity of the request, give a reasonable extension of time for completion of the work. Such extension shall be communicated to the contractor in writing by the companythrough the Engineer-in-Charge within 1 (one) month of the date of receipt of such request.
- **6.4.3** The opinion of the Engineer-in-charge, whether the grounds shown for the extension of time areor are not reasonable, is final. If the Engineer-in-charge is of the opinion that the grounds shown bythe contractor are not reasonable and declines to the grant of extension to time, the contractor cannot challenge the soundness of the opinion.

The opinion of the Engineer-in-charge that the period of extension granted by him is proper ornecessaryisnot,however,final.Ifthe contractorfeelsthatthe periodofextensiongrantedisinadequate he can appeal to the GM(Excv) of the company forconsideration on the questionwhethertheperiodofextensionisorisnotproperornecessary.

- **6.4.4** Provisional extension of time may also be granted by the Engineer-in-Charge during the courseof execution, on written request for extension of time within 15(fifteen) days of happening of suchevents as stated above, reserving the company's right to impose/ waive penalty at the time of grantingfinalextensionoftimeaspercontractagreement.
- **6.4.5** When the period fixed for the completion of the contract is about to expire, the question of extension of the contract may be considered at the instance of the Contractor or the Department or ofboth. The extension will have to be by party's agreement, expressor implied.

In case the contractor does not apply for grant of extension of time within 15(fifteen) days of thehindrance occurring in execution of the work and the department wants to continue with the workbeyond the stipulated date of completion for reason of the work having been unavoidably hindered, the Engineer-in-charge can grantextension of time even in the absence of application from the contractor.

Such extension of time granted by the Engineer-in-Charge is valid provided the contractor accepts thesame either expressly or implied by his actions before and subsequent to the date of completion. Such extension of time shall be without prejudice to Company's right to levy compensation under the therelevant clause of the contract.

The contractor shall however use his best efforts to prevent or make good the delay by putting hisendeavors constantly as may be reasonably required of him to the satisfaction of the Engineer-in-Charge.

7. MaterialSupply&otherfacilities:

The contractor shall at his own expense, provide all materials required for the work, unless otherwisespecified, and the rates quoted by the contractor shall be for finished work inclusive of all materials required for completion of the work asspecified in the contract.

- *Thecompanymay, of its own or at the request of the contractor, supply such materials as may be specified, if available, at rate/rate stobe fixed by the Engineer-in-charge.
- 7.1 For the materials which the company has agreed to supply for the contract, the contractor shallgive in writing of his requirements in accordance with the agreed phased programme to the Engineer-in-chargesufficientlyinadvance.

The value of materials so supplied shall be set off or deducted from the payment to be made for theitemsofworkinwhichsuchmaterials have been consumed, or from any sum then due or to be comedue to the contractor thereafter.

7.2 If the steel is issued by the department, the wastage of steel shall be the barest minimum. Thewastage allowed from theoretical quantity will be upto a maximum of 5% to cover the wastage due tocutting into pieces, bending and other factors. No cut pieces or scrap less than 2 mtr. in length will betaken by the department. Efforts should be made to use the cut pieces of 2 mtr. or above length as faraspossible.

If the wastage of steel is more than the permissible variation mentioned above the cost of excesswastagemadebythecontractor

shallberecoveredatdoubletheissueratesindicatedabove, or 115% of prevailing marketrate **along with GST and any other Taxapplicable** during the period of work, which ever is more.

NoallowancesshallbeentertainedonaccountofRollingMarginforthesteeleitherissuedbythedepartmentorprocured bythe contractor.

7.3 In case the department is not able to supply iron & steel/Cement as per the provisions of thecontract, the Engineer-in-Charge may allow, with the approval of GM/HOD(Excv) of the company,the contractor in writing for procurement of cement/ steel from the approved sources and the extra onthisaccountincluding transport charges, if any, overthe issue rates hall be reimbursed to the contractor on production of authentic documents. Transportation of cement/ steel from

ofpurchasetothesiteofworkandproperstorageofcement/steelatsiteshallbecontractor'sresponsibility.Hesh ouldmaintain properaccountofcement/steelissued/procuredbyhimandshould

allow inspection of his godown and his cement/steel account by the concerned Engineer-in-charge orany other authorized officers of the company. Contractor should draw materials from the company onthe basis of actual requirement as assessed by the Engineer-in-Charge on "as and when required"basis.

7.4 Recovery of cost of materials issued on sale A/c will be made as per actual consumption basis butthe Engineer-in-Charge will have the discretion for making full recovery while processing a particular billor asking for the return of the balance materials if the work is not progressing satisfactorily.

The contractorshall keep accurate record ofmaterials issued by the company,maintain properaccount for the materials received and consumed in the work and shall be open to check by the Engineer-in-Charge or his authorized representative. The contractor shall ensure that such materials are consumed for the contract works only and the Register for the aforesaid account shall be signed both by the representatives of Engineer In Charge and the contractor.

- 7.5 All materials, tools and plants brought to site by the contractor including the materials supplied by the company shall be deemed to be held in lien by the company and the contractor shall not have the right to remove the same from the site, without the written permission of the Engineer-in-Charge. The company shall not however be liable for any loss, theft or damage due to fire or other caused uring this period of lien, the responsibility for which shall lie entirely on the contractor.
- 7.6 The contractor shall bear the cost of loading, transportation to site, unloading, storing under coverasrequiredetc.asmaybenecessaryfortheuseandkeepingthematerialsingoodcondition.
- 7.7 Any surplus materials issued by the company, remaining after completion or termination of thecontract, shall be returned by the contractor at his cost to the place of issue and the Engineer-in-Charge shall accept the same at the rate not exceeding the rate at which these were originally issuedtaking into consideration the deterioration or damage, if any, that may have been caused during thecustody of the contractor. In the event, the contractor fails to return the surplus materials out of thosesupplied by the company, the Engineer-in-Charge may, in addition to any other liability which thecontractor would incur in this regard, by giving notice in writing require the contractor to pay theamount at double the issue rate for such unreturned surplus materials or 115% of the prevailingmarket rate along with GST and any other Tax applicable during the period of work, whichever ismore.
- 7.8 Oncompletionorontermination of the company, if any, in respect of materials brought to site, the contractor withduepermission of the Engineer-in-Charge shall be entitled to remove at his expenses all surplus materialsoriginally supplied by him and upon such removal, the same shall be comethe property of the contractor.
- 7.9 All charges on account of <u>GST or any other applicable taxes</u>, <u>duties or levies</u> on materialsobtained for the works from any source (excluding materials supplied by the company) shall be bornebythecontractor.
- 7.10 The contractor shall arrange necessary electricity at his own cost for the work and his ownestablishment. However, if available and feasible the company may arrange electricity at one pointneartheworksiteandnecessaryrecoveryofcostofenergyconsumedwillbemade atratesprescribed by the company from time to time. Energy meter for this purpose shall be provided by the contractor.
- 7.11 The contractor shall arrange necessary water for the work and his own establishment and nothingextra will be paid for the same. Such water used by the contractor shall be fit for construction purposes. However, if available and feasible the company may arrange water, at the written requestof the contractor, to the extent possible, at one point near the work site for which recovery @ 1% of the contractvalue of work done will be made from the contractor's bills. The contractor shallmakehis own arrangement of water connection and laying of pipe lines from main source of supply. Department do not guarantee to maintain uninterrupted supply of water. No claim of damageorrefundof watercharges will be entertained on account of such breakdown.
- 7.12 Explosives, detonators and other inflammable materials shall not be used in the execution of theworkatsitebythecontractorwithoutpriorwrittenpermissionoftheEngineer-in-Charge.

Transportation and storage of such materials shall be done in specified manner in accordance with thelaw in force. The contractor shall also obtain license under such laws for, transportation, storage, useandallotheroperations, connected with the handling of the same.

8. QualityAssurance-MaterialsandWorkmanship

The contractor shall carry out and complete the work in every respect in accordance with the contractand shall ensure that the work conforms strictly to the drawings, specifications, (as enclosed or inabsence of enclosed specifications current CPWD/BIS specifications) instructions of the Engineer-in-Charge. The Engineer-in-Charge may issue, from time to time, further drawings, detailed instructions/directions in writing to the contractor. All such drawings, instructions/directions shall be consistentwith the contract documents and should be reasonably inferable there from, along with clarifications/explanations thereof, if necessary. However, the contractor will be solely responsible for design anderection alltemporary structures required inconnection with the work.

- 8.1 For Quality Assurances of all the Excavation Works the norms/ guidelines laid down by the company hereinandelse where will form part of the contract for the purpose of quality of works.
- 8.2 The contractor shall be responsible for correct and complete execution of the work in a workmanlike manner with the materials as per specification which shall be subject to the approval of the company. All work under execution in pursuance of the contract shall be open to inspection and supervision by the Engineer-in-Charge or by his authorized representative or any other official of higher rank or any other person authorized by the company in his behalf & the contractor shall allow the same.
- 8.3 Allmaterialstobeprovided by the contractors hall be inconformity with the specifications/schedule of work aspert he contract and the contractors hall furnish proof, if so required by the Engineer-in-Charge to his satisfaction that the materials do so comply.
- 8.4 The contractor shall immediately after the award of work draw up a schedule giving dates forsubmission of samples as required or necessary as per the specification for approval of Engineer-in-

Chargewhoshallapprove, if found acceptable, promptly so that there is no delay in the progress of the work of the contractor of the work of any of the sub-contractor.

On receipt of samples as per schedule, the Engineer-in-Charge shall arrange to examine/test withreasonablepromptnessensuringconformityofthesampleswiththerequiredspecificationandcomplying with the requirements as per contract documents keeping in view that the work shall be inaccordance with the samples approved by him. The contractor shall be bound to furnish fresh sample,if disapproved by the Engineer-in-Charge, for his approval. The contractor shall not start bringingmaterials at the site unless the respective samples are approved. Materials conforming to approvedsamples shall only be brought to site. However, Engineer-in-Charge's approval forany sample,design / drawings (permanent / temporary structures) shall not alter contractor's full responsibilitywhatsoeverfortheperformanceandsafetyof the executedjob.

Samples are to be supplied by the contractor at his own cost. The cost involved in tests shall be borneby the contractor. If any test is ordered by the Engineer-in-Charge which is to be carried out by anyindependent person or agency at any place other than the site even then the cost of materials andtesting charge etc. shall be borne by the contractor. If the test shows that the materials are not inaccordance with the specifications, the said materials shall not be used in the work and removed from the site at contractors cost.

8.5 The company, through the Engineer-in-Charge, shall have full powers to reject any materials orwork due to a defect therein for not conforming to the required specification, or formaterials notbeing of the required quality and standard or for reasons of poor workmanship or for not being inaccordancewiththesampleapprovedbyhim. The contractors hall for thwith remedy the defect/replace the materials at his expense and no further workshall be done pending such rectification/replacement of materials, if so instructed by the Engineer-in-Charge.

Incase of default on the part of the contractor, the Engineer-in-

Chargeshallbeatlibertytoprocurethepropermaterialsforreplacementand/ortocarryouttherectificationsinanymannerconsidered

advisable under the circumstances and the entire cost & delay for such procurement/rectification shallbebornebythecontractor.

8.6 The Engineer-in-Charge shall be entitled to have tests carried out for any materials, according to the standard practice followed for such tests, other than those for which satisfactory proof has already been furnished by the contractor who shall provide at his expense all facilities which the Engineer-in-Charge may require for the purpose. All such expenses born by the contractor are not to be paidseparately by the employer and shall be assumed covered in accepted prices.

The cost of any other tests, if so required by the Engineer-in-Charge, shall be borne by the company. However if the test shows the workmanship or materials not to be in accordance with the provision of the contractor the instruction of Engineer-in-Charge the costs hall be borne by the contractor.

- 8.7 **Access to the works**: The Engineer-in-charge and any person authorized by the company shall atall times have access to the works and to all workshops and places where work is being prepared orfrom where materials, manufactured articles are being obtained for the works and the contractor shallaffordeveryfacilityforandeveryassistanceinorinobtainingtherighttosuchaccess.
- 8.8 **Inspection of works:** i) No work shall be covered up or put out of view without the approval of the Engineer-in-charge or the Engineer-in-charge's representative or any other officer nominated by the company for the purpose and the contractor shall afford full opportunity for the EIC or EIC srepresentative orany otherofficernominated by the company for the purpose to examine and measure any work which is about to be covered up or put out of view and to examine foundations before permanent work is placed thereon, the contractor shall give due notice to the Engineer-in-charge's representative whenever any such work or foundations is ready or about to be ready for examination and the Engineer-in-charge's representative shall, without unreasonable delay, unless heconsiders it unnecessary and advises the contractor accordingly, attend for the purpose of examining and measuring such work or foundations.
- ii) The contractor shall uncover any part or parts of the works or making openings in or through thesame as the Engineer-in-Charge may from time to time direct and shall reinstate and make good suchpartorpartstothesatisfactionofEngineer-in-charge.

If any such part or parts have been covered up or put out of view after compliance with therequirement of sub-clause above and are found to be executed in accordance with the contract, theexpenses of uncovering, making openings in or through and making good the same shall be borne bytheEmployer,butinanyothercasesall costsshallbebornebythecontractor.

8.9 RemovalofImproperWorkandMaterials:

- i) The Engineer-in-charge shall during the progress of the works have power to order in writing fromtimetotime:
- a) The removal from the site, of any materials which in the opinion of Engineer-in-charge, are not inaccordancewiththecontract/workorder/approvedsample.
- b) The substitution with proper and suitable materials.
- c) The removal and proper re-execution, notwithstanding any previous test thereof or interim paymentthere from, of any work which in respect of materials or workmanship is not in accordance with the contract.
- ii) In case of default on the part of the contractor in carrying out such order, the Engineer-in chargeshall beentitled to employandpayotheragency to carry out the same and all expensesconsequent thereon shall be recoverable from the contractor ormay be deducted from anyamountdueorwhichmaybecome duetothecontractor.
- 8.10 **Devaluation of Work :**In lieu of rejecting work done or materials supplied not in conformity with the contract/work order/approved samples, the Engineer-in-charge or range or any other officer nominated by the company for the purpose may allow such work or materials to remain, provided

the Engineer-in-Charge/the officer nominated by the company is satisfied with the quality of any

materials, or the strength and structural safety of the work, and in that case shall make such deduction for the difference invalue, as in his opinion may be reasonable.

- 8.11 **Final Inspection of Work:** The Engineer-in-charge and any other officer nominated by the company for the purpose shall make final inspection of all work included in the contract/work order, or any portion thereof, or any completed structure forming part of the work of the contract, as soon aspracticable after notification by the contractor that the work is completed and ready for acceptance. If the work is notacceptable to the Engineer-in-charge at the timeof such inspection, he shall inform the contractor in writing as to the particular defects to be remedied before final acceptance can be made.
- 8.12 Defects appearing after acceptance: Any defects which may appear within the defect liabilityperiod and arising, in the opinion of the Engineer-in-charge, from lack of conformance with thedrawings and specifications, shall, if so required by the Engineer-in-charge in writing, be remedied by the contractor at his own cost within the time stipulated by the Engineer-in-charge. If the contractorfails to comply, the Engineer-in-charge may employ other persons to remedy the defects and recoverthecostthereof from the duesofthecontractor.
- 8.13 **Order Book :**A Site OrderBook isa Registerduly certified by the Engineer-in-chargeregarding number of pages it contains, each page being numbered, name of work, name of contractor, reference of contract/workorder and the aforesaid certificates hould be recorded on its first page.

Site Order Books shall be maintained on the sites of works and should never be removed there fromunder any circumstances. It shall be the property of the company. The Engineer-in-Charge or hisauthorized representative shall duly record hisobservations regarding any work whichneedsactionon the part of the contractorlike,improvement in the quality ofwork, failure to adhere to thescheduled programme etc. as percontract/work order. The contractor shall promptly sign the siteorder book and note the orders given therein by the EIC or his representative and comply with them. The compliance shall be reported by the contractor in writing to EIC in times othatic an bechecked.

The Site Order Book will be consulted by the Engineer-in-Charge at the time of making both runningon accountand finalbillsofthecontractor. A certificate to thiseffectshould be given in the Measurement books by the Engineer-in-Charge or his representative.

- 8.14 Samples and Testing of Materials: All the materials to be procured by the contractor and to beused in work shall be approved by the Engineer-in-Charge in advance, and shall pass the tests and analysis required by him, which will be as pecification softheitems concerned and or as specified by BIS standard specifications acceptable to the Engineer-in-Charge. The method of sampling and testing shall be as perthe relevant BIS and other relevant standards and practices. Minor minerals shall be conforming to relevant BIS standards. All bought out items including iron & Steel shall be procured from such manufacturers who hold valid license conforming to relevant BIS standards formanufacturing of such items.
- 8.15 Storage of Materials: Materials shall be so stored as to ensure the preservation of the quality and fitness for the work. When considered necessary by the Engineer-in-charge, they shall be placed onwooden platforms or other hard, clean surfaces and not directly on the ground.

Materials shall be placed under cover when so directed and the contractor shall erect and maintain athis own cost temporary weather-proof sheds at the work site for the purpose. Stored materials shall be so located as to facilitate prompt inspection. All stored materials shall be inspected at the time ofuse in the work, even though they may have been inspected and approved before being placed instorageorduringstorage.

8.16 **Defective Materials**: All materials not conforming to the requirements of the specifications shallbe considered as defective, and all such materials, whether in place or not shall be rejected. They shallberemovedimmediatelybythecontractorathisexpensesandreplacedwithacceptablematerial.

No rejected material, the defects of which have been subsequently corrected, shall beused on theworkuntilapprovalinwritinghasbeengivenbytheEngineer-in-Charge.Uponfailureonthe partof

the contractor to comply with any instruction of the Engineer-in-charge made under the provisions of this article within the time stipulated by the Engineer-in-charge, the Engineer-in-charge shall haveauthority to remove and replace defective material and recover the cost of removal and replacement from the contractor.

Further all such defective material lying at site not removed and replaced within 30 days after issue ofnotice by the Engineer-in-charge, if the Engineer-in-charge so decides shall dispose off such materialinanymannerwithoutanyfurtherwrittennoticetothecontractor.

9. MeasurementandPayments

ExceptwhereanygeneralordetaileddescriptionoftheworkintheBillofQuantitiesorspecifications of the contract/ work order provides otherwise, measurement of work done shall betaken in accordance with the relevant standard method of measurement published by the Bureau ofIndian Standards (BIS) and if not covered by the above, other relevant Standards/practices shall befollowedasperinstructionsof theEngineer-in-Charge.

- 9.1 All items of work carried out by the contractor in accordance with the provision of the contracthaving a financial value shall be entered in the Measurement Book as prescribed by the company sothat a complete record of the measurements is available for all the works executed under the contractand the value of the work executed can be ascertained and determined there from. Measurements

 of completedwork/portion of completedworkshallberecordedonly in the Measurement Books.
- 9.2 Measurementshall be taken jointly by the Engineer-in-Charge orhis authorized representative and by the contractor or his authorized representative.
- 9.3 Before taking measurements of any work, the Engineer-in-Charge or the person deputed by himfor the purpose shall intimate the contractor to attend or to send his representative to attend themeasurement. Every measurement thus taken shall be signed and dated by both the parties on the siteon completion of the measurement. If the contractor objects to any measurements, a note to that effectshallbe madeintheMeasurementBook/LogBookandsignedanddatedbyboththeparties.
- 9.4 The measurement of the portion of work/items of work objected to, shall be re-measured by the Engineer-in-Chargehimselfortheauthoritynominated by the company for the purpose in the presentative and recorded in the M.B. which shall be signed and dated by both the parties. Measurements so recorded shall be final and binding upon the contractor and no claim what so ever shall thereafter be entertained.

In case the contractor or his authorized representative does not attend to the joint measurements at theprefixed date and time after due notice, the measurements taken by the Engineer-in-Charge or hisrepresentativeshallbefinalandbindingonthecontractor.

Measurement of the extra items of work or excess quantities of work duly authorized in writing by the Engineer-in-Charge shall also be taken and recorded in the M.B. based on the existing items in the SOR of the company and if such items do not exist in the company's SOR, the description of the workshall be as per actual execution. Payment for such extra items will be based on the rates to be derived as described in the relevant clauses of the contract work-order.

9.5 No work shall be covered up or put out of view without the approval by the Engineer-in-Chargeand recording of measurements and check measurement thereof duly accepted by the contractor. The contractor shall provide full opportunity to the Engineer-in-Charge or his representative

to examine and measure all works to be examine and measure all works to be covered up and to examine the foundations before covering up.

The contractorshall also give notice to Engineer-in-Charge wheneversuch works are ready forexamination and the Engineer-in-Charge shall without unreasonable delay arrange to inspect and torecord the measurements, if the work is acceptable and advise the contractor regarding covering of such worksorfoundations.

9.6 In case of items which are claimed by the contractor but are not admissible according to the department, measurements of such items, will be taken for record purposes only and without prejudice so that in case it is subsequently decided by the department to admit the contractor's claims, the reshould be no difficulty indetermining the quantities of such work. A suitable remark should,

however, bemadeagainst such measurements to guardagainst payment in the ordinary way.

- 9.7 **Payments**: The running on account payments may be made once in a month or at intervalsstipulated in the work order/contractagreement.
- 9.7.01 Running on account bill/bills for the work executed/ materials supplied in accordance with thework order/ contract shall be prepared on the basis of detailed measurements recorded as describedhereinbeforeandprocessedforpayments.
- 9.7.02 Payment of on account bill shall be made on the Engineer-in-Charge's certifying the sum towhichthecontractorisconsideredentitledbywayof interimpaymentfor thefollowing:
- a) The work executed as covered by the bill/bills after deducting the amount already paid, these curity deposit and such other amounts as may be deductible or recoverable in terms of the work order/contract.
- b) (i) Payment for excess quantity of work done with the written instructions of the Engineer-in-Charge for items already appearing in the bill of quantities of work with approved rates, will be madealong with the on account bills only up to 10% of the quantity provided in the agreement subject tooverallyalue ofworknotexceedingtheagreement value.
- (ii) The GM(Excv) of the company and / or the Staff Officer(Excv) of the Area may authorize interim payment for excess work done up to 20 % of the quantity of work provided in the Bill ofQuantity of the work awarded from Company level and Area level respectively subject to overall value of work done does not exceed the contract value. This however, shall not be applicable for HighValueItems.
- c) Extra items of work executed will be paid on specific written authorization of GM(Excv) of the company or Staff Officer (Excv) of the Areaprovided that the value of such extraitems of workwhen added together is not more than 10% of the contract value and the total gross payment including excess quantity does not exceed the contract value.

Balance amount on account of excess quantity and extraitems of work executed shall be paid after the deviation estimate / revised estimate regularizing the extra items and excess quantities of work is sanctioned by the competent authority of the company with the concurrence of the Finance Department of the company.

- d) On the Engineer-in-Charge'scertificate of completion in respectof the work covered by the contract /final measurements of the work certified by the Engineer In Charge or his representative.
- 9.7.03 The measurements shall be entered in the M.B for the work done up to the date of completionand evaluated based on the approved rates for the items in the contract agreement/sanctioned revisedestimate. In case of extra itemsof work, the rates shall be derived as stated in the relevant clause ofthecontract.

The payments shall be released against the final bill subject to all deductions which may be made onaccount of materials supplied, water supply for construction, supply of electricity and any other duespayable by the contractor to the company, and further subject to the contractor having given to the Engineer-in-Chargeanoclaimcertificate.

The contractor shall indemnify the company against proof of depositing royalty on account of minorminerals used in the work before the final bill is processed for payments. The final payment to bemadewillalsobesubjecttoClause-4.6&4.7oftheGeneralTerms&Conditionsof thecontract.

9.7.04 AnycertificategivenbytheEngineer-in-Chargeforthepurposeofpaymentofinterimbill/bills shall not of itself be conclusive evidence that any work/materials to which it relate is/are inaccordance with the contract and may be modified or corrected by the Engineer-in-Charge by anysubsequentcertificateorbythefinalcertificate.

9.7.05 The company reserve the right to recover/enforce recovery of any overpayments detected afterthe payment as a result of post payment audit or technical examination or by any other means, notwithstanding the fact that the amount of disputed claims, if any, of the contractor exceeds the amount of such overpayment and irrespective of the facts whether such disputed claims of the contractor are the subject matter of arbitration or not.

The amount of such overpayments shall be recovered from subsequent bills under the contract, failingthat from contractor's claim under any other contract with the company or form the contractor's security deposit or the contractor shall pay the amount of over payment on demand. In case of contractor's non-payment on such demand, the same should be realised from the contractor's dues, if any, with Coal India Limitedorany of its subsidiaries.

9.7.06 Thecontractors are required to execute all works satisfactorily and according to the specifications laid down in the contract/work order. If certain items of work, executed by the contractor, are below specifications, the contractor should re-do them according to the specifications and instructions of EIC and if the contractor fails to rectify the defect within the time and in themanner specified by the EIC, shall rectified by be got re-done or the department riskandcostofthecontractor. Engineer-in-Chargemayacceptsuchworkofbelowspecificationsprovided the department is satisfied with the quality of such works and the strength/ structural safetyof such works. In that case Engineer-in-Charge shall make such deductions for the difference invalue, as in his opinion is reasonable and is approved by the accepting authority of the company i.e.GM/HoD(Excv) of the company in this case or any otherofficernominated by GM/HoD(Excv) forthepurpose.

 - d) On the death of the contractor being a proprietary concern or of any of the partners in the case of a partnership concern and the company is not satisfied that the legal representative of the deceased proprietor or the other surviving partners of the partnership concern are capable of carrying out and completing the contract. The decision of the company in this respect shall be final and binding which is to be intimated in writing to the legal representative or to the partnership concern.
- 10.2 On cancellation of the contractor on termination of the contract, the Engineer-in-charge shall have powers:
- a. Totakepossessionofthesite,anymaterials,constructionalplant,equipment,storesetc.thereonandcarryoutba lanceworkthroughanymeansorthroughanyotheragency.
- b. Togivethecontractororhisrepresentativeofthework7(seven)daysnoticeinwritingfortaking

final measurement for the worksexecuted till the date of cancellation or termination of the contract. The Engineer-in-Charge shall fix the time for taking such final measurement and intimate the contractorin writing. The final measurement shall be carried out at the said appointed time notwithstandingwhether the contractor is present or not. Any claim as regards measurement which the contractor is tomake shall be made in writing within 7 (seven) days of taking final measurement by Engineer-In-chargeas aforesaid and if no such claim is received, the contractor shall be deemed to have waived all claimsregardingabovemeasurements and any claimmade the reafter shall not be entertained.

c. After giving notice to the contractor to measure up the work of the contractor and to take such wholeor the balance or part thereof, as shall be unexecuted out of his hands and to give it to another contractoror take up departmentally,to complete the work. The contractor whose contract is terminated shall notbeallowedtoparticipateinfuturebiddingforperiodof minimumtwelvemonths.

In such an event, the contractor shall be liable for loss/damage suffered by the employer because ofaction under this clause and to compensate for this loss or damage, the employer shall be entitled torecoverhigher of the following:

- i) Forfeitureofsecuritydepositcomprisingofperformanceguaranteeandretentionmoneyandadditionalperfor mancesecurity,ifany,atthedisposaloftheemployer.

 Or
- ii) 20% of value of incomplete work. The value of the incomplete work shall be calculated for the items and quantities remaining incomplete (as per provision of agreement) at the agreement rates including price variation as applicable on the date, when notice in writing fortermination of work was issued to the contractor.

The amount to be recovered from the contractor as determined above, shall, without prejudice to anyother right or remedy available to the employer as per law or as per agreement, will be recovered from money due to the contractor on any account or under any other contract and in the event of anyshortfall, the contractor shall be liable to pay the same within 30 days. In case of failure to pay the sametheamountshallbe debtpayable.

In the event of above course being adopted by the Engineer-in-charge, the contractor shall have no claimto compensation for any loss sustained by him by reasons of his having purchased materials, equipmentor entered into agreement or made advances on any account or with a view to the execution of work orperformance of the contract. And in case action is taken under any of provision aforesaid, the contractorshall not be entitled to recover or to be paid any sum for any work thereof or actually performed underthiscontractunlessand until the engineer-in-charge hascertified inwritingthe performance of suchworkandvaluepayableinrespectthereofandheshall onlybe entitledtobepaidthe valuesocertified.

The need for determination of the amount of recovery of any extra cost/expenditure or of any loss/damagesufferedbythecompanyshallnothoweverariseinthecaseofterminationofthecontractfordeath/demiseofthecontractorasstatedin10.1(d).

10.3 SuspensionofWork:

Suspension of work – The Company shall have power to suspend the work. The contractor shall onreceiptof the orderin writing of Engineer-in -charge (whose decision shall be final and binding onthecontractor).

suspend the progress of work or any part thereof for such time in such manner as the Engineer-in-Charge may consider necessary so as not to cause any damage, or endanger the safety thereof for anyof thefollowing reasons:

- a) onaccountofanydefaultonthepartof thecontractor, or
- b) forproperexecution of the works, or part thereof, for reasons other than the default of contractor or.
- c) forsafetyoftheworks, or partthereof.

The contractor shall, during such suspension properly protect and ensure the works to the extentnecessary and carry out the instruction of the Engineer-in-charge. If the suspension is ordered forreasons (b) & (c), the contractor shall be entitled to an extension of time equal to the period of everysuchsuspensionplus25%. This shall also be applicable for completion of the item or group of tems

of the work for which a separate period of completion as specified in the contract and of which thesuspendedworkformsapart.

The contractor shall carry out the instructions given in this respect by the Engineer-In Charge & ifsuch suspension exceeds 45 (forty five) days, the contractor will be compensated on mutually agreedterms.

10.4 Foreclosure of contract:

If at any time after acceptance of the tender the company decides to abandon or reduce the scope ofwork for any reason whatsoever the company, through its Engineer-in-Charge, shall give notice inwriting to that effect to the contractor and contractorshall act accordingly in the matter. In the event of abandonment, the contractor shall have no claim to any payment of compensation or otherwisewhatsoever, other than those mentioned below:-

- a) to pay reasonable amount assessed and certified by the Engineer-in-Charge of the expenditureincurred, if any, by the contractor on preliminary works at site.
- b) to pay the contractor at the contract rates full amount for works executed and measured at site up tothedateofsuchabandonment.
- c) to pay for the materials brought to site or to be delivered at site, which the contractor is legallyliable to pay, for the purpose of consumption in works carried out or were to be carried out but for theforeclosure, including the cost of purchase and transportation and cost of delivery of such materials. The materials to be taken over by the company should be in good condition and the company mayallow at its discretion the contractor to retain the materials in full or in part if so desired by

 him

 and tobetransportedbythecontractorfromsitetohisplaceathisowncostwithduepermissionoftheEIC.
- d) to take back the materials issued by the company but remaining unused, if any, in the work on the date of a bandon ment/reduction in the work, at the original issue priceless allowance for any deterior at ion or damage caused while incustody of the contractor.
- e) to pay for the transportation of tools and plants of the contractor from site to contractor's place or toanyotherdestination, whicheverisless.
- **10.4.01** The contractor shall, if required by the Engineer-in-Charge, furnish to him books of accounts, papers, relevant documents as may be necessary to enable the Engineer-in-Charge to assess the amounts

payable in terms of clauses 10.4(a) (c) & (e) of the contract. The contractor shall not have any claimforcompensation for abandon ment of the work, other than those as specified above.

11. Carryingout PartWorkatRisk&Cost ofContractor.

If the progress of the work or of any portion of the work is unsatisfactory, the Engineer-in-Charge, after giving the contractor 15 days' notice in writing, without cancelling or terminating the contract, shall be entitled to employ another Agency for executing the job or to carry out the work departmentally or contractually through tendering / limited tendering process, either wholly or partly, debiting the contractor with cost involved in engaging another Agency or with the cost of labour and the prices of materials, as the case may be. The certificate to be issued by the Engineer-in-Charge for the cost of the work so done shall be final and conclusive and the extra cost, if any, shall be borne by the contractor. However, when this clause is invoked, penalty will not be applicable other than on account of delayed completion.

The value of the work taken away shall be calculated for the items and quantities taken away at theagreement rates including price variation as applicable on the date, when notice in writing for takingaway part work was issued to the contractor. The contractor, from whom part work is being taken out, shall not be allowed to participate in the tendering process if any.

If the expenses incurred by the department is less than the amount payable to the contractor at hisagreementrates, the difference shall not be payable to the contractor.

In the event of above course being adopted by the Engineer-in-Charge, the contractor shall have noclaimtocompensationforanylosssustainedbyhimbyreasonsofhishavingpurchasedorprocured

any materials or entered into any engagements or made any advance on any account or with a view totheexecutionofthe workortheperformance ofthecontract.

12. CompletionCertificate/DefectLiabilityCertificate

Except in cases where the contract provides for "Performance Test" before issue of Defect Liability certificate, in which case the issue of Defect Liability certificate shall be in accordance with the the procedure specified therein, the contractor shall give notice of completion of work, as soon as the work is completed, to the Engineer-in-Charge. The Engineer-in-Charge and or any other Officer, nominated for the purpose by the company, shall within 30 (thirty) days from the receipt thereof, inspect the work and ascertain the defects/deficiencies, if any, to be rectified by the contractor as also their tems, if any, for which payments hall be made at reduced rate.

If the defects, according to the Engineer-in-Chargeare of amajor nature and the rectification of which is necessary for the satisfactory performance of the contract, he shall intimate in writing the defects and instruct the contractor to rectify the defects/remove deficiencies within the period and in the manner to be specified therein. In such cases Defect Liability Certificate will be issued by the EICafterthe above rectifications are carried out/deficiencies are removed by the contractor to the satisfaction of EIC.

In the event there are no defects or the defects/ deficiencies are of a minor nature and the Engineer-in-Charge is satisfied that the contractor has already made arrangements for rectification, or in the eventof contractor's failure to rectify the defects for any reason whatsoever, the defects can be rectified bythe company departmentally or by other means and the 50% of the security deposit of the contractorshall be sufficient to cover the cost thereof, he shall issue the Defect Liability Certificate (TakingOver Certificate with list of defects)indicating the date of completion of the work, defects to berectified, if any, and the items, if any, for which payment shall be made at reduced rate indicatingreasons there for and with necessary instructions to the contractor to clear the site/place of work or alldebris/wastematerials, scaffoldings, sheds, surplus materialsetc.makingitclean.

In cases where separate period of completion for certain items or groups of items are specified in the contract, separate Defect Liability certificate for such itemsor groups of items may be issued by the Engineer-in-Charge after completion of such items on receipt of notice from the contractor only in the event the work is completed satisfactorily in every respect.

Refund of security deposit and payment of final bill shall, however, be made on completion of theentirecontractwork, but not on completion of such items of work.

Before the date fixed for completion of work, the work as well as the site of work are to be madeclean afterremovalofrubbish,scaffolding,surplusmaterials,temporarystructuresetc.

In case of contractor's failure to clear the site, the EIC shall have right to get the work done. The costthereofshall berecoveredfromthefinal billof thecontractor.

13. Additional Responsibilities of the Contractor(s)

The cost on account of the "Additional Responsibilities of the Contractors" under this clause isdeemedtobeincludedinthetenderedrates.

- i) The company reserves the rights to let other contractors also work in connection with the Projectand the contractor/contractorsshallco-operate in theworksforthe introduction and stores and materials and execution of his/their works.
- ii) The contractor/contractors shall keep on the work site during the progress a competent and experienced Resident Engineer exclusively for the work and necessary assistants who shall represent the contractor (s). - xxi) All materials obtained in the course of execution of the work during excavation and dismantlingetc.shall be the property of the company and the samemay be issued to the contractors, if requiredforuseintheworksattheratestobefixedbytheEngineer-in-Charge.
- xxii) Unless otherwise specifically provided for, dewatering of excavation pits, working areas etc.shall be the contractor's responsibility and is to be carried out at his own cost as per instructions of EIC. Theratesquoted by the contractor shall be deemed to include the dewatering costs.
- xxiii) Approval by the Nodal Officer/Engineer-in-Charge or his nominee: The contractor shall submitspecifications and drawings showing the proposed temporary work to the Nodal Officer/Engineer-in-

Chargeorhisnominee, who is to approve the mifthey comply with the specifications and drawings.

The contractors hall be responsible for design of Temporary Works.

The Nodal Officer/Engineer-in-charge orhisnominee's approval shall notal terthe contractor's responsibility for design of the Temporary Works.

14.0 DefectLiabilityPeriod:

In addition to the defect/s to be rectified by the contractor as per terms of the contract/ work order, the contractor shall be responsible to make good and remedy at his own expense the defect/s mentionedhereunderwithinsuchperiodasmaybestipulatedbythe Engineer-in-Chargeinwriting:

- a) Anydefect/defectsintheworkdetectedbytheEngineer-in-Chargewithinaperiodspecifiedintender fromthedateofissueof DefectLiabilitycertificate/completioncertificate.
- b) Ifdefectliabilityperiodisnotspecified, the nundernormal circumstances it should be for a period of 12 months.
- **14.1** A programme shall be drawn by the contractor and the Engineer-in-Charge for carrying out thedefects by the contractor detected within the defect liability period and if the contractorfailstoadheretothisprogramme, the Engineer-in-Charge shall be at liberty to procure proper materials and carry out the rectifications in any manner considered advisable under the circumstances and thecost of such procurement of materials and rectification work shall be chargeable to the contractor andrecoverable from any of the pending dues of the contractors.

The defectliability period can be extended by the company on getting request from the contractoronlyforvalidreasons.

There will be no defect liability period for works like Cutting, cleaning& any other work of similarnaturetobedecidedbytheEngineer-in-Charge.

15. Operating and Maintenance Manual:

If "as built" drawings and/or Operating and Maintenance Manual are required the contractor shallsupplythembythedatesasper instruction of the Engineer-in-charge.

If the contractor does not supply the drawings and/or Manual by the dates as stated above, or they donot receive the Nodal Officer or his nominee's approval, the Nodal Officer or his nominee shallwithholdtheamountasstatedintheagreement.

16. SettlementofDisputes.

It is incumbent upon the contractor to avoid litigation and disputes during the course of execution. However, if such disputes take place between the contractor and the department, effort shall be made first to settle the disputes at the company level.

The contractor should make request in writing to the Engineer-in-charge for settlement of suchdisputes/ claims within 30 (thirty) days of arising of the cause of dispute/ claim failing which nodisputes/claimsof thecontractorshallbeentertainedbythecompany.

Effortshallbe madetoresolvethedisputeintwostages

In first stage dispute shall be referred to Area GM or GM/HOD (Excv). If differences still persist the dispute shall be referred to a committee constituted by the owner. The committee shall have onemember of the rank of Director of the company who shall be chairman of the committee.

If differences still persist, the settlement of the dispute shall be resolved in the following manner:DisputesrelatingtothecommercialcontractswithCentralPublicSectorEnterprises/Govt. Departments (except Railways, Income Tax, Customs & excise duties)/ State Public SectorEnterprisesshallbereferredbyeitherpartyforresolutiontothe AMRCD (AdministrativeMechanismforResolutionofCPSE'sDisputes)underaegisofdepartmentofPublicEnterprises.

In case of parties other than Govt. Agencies, the redressal of the dispute may be soughtthroughArbitration(THEARBTTRATTONANDCONCILATIONACT,1996asamend edbyAMENDMENTACTof 2015).

16. A. SettlementofDisputesthroughArbitration

(i) Normally, there should notbe any scope of dispute between the employer (department) and the contractor after entering into a mutually agreed valid contract. However, due to various unforeseen reasons, disputes may arise during the progress of the contract between the employer (department) and the contractor.

Therefore, the conditions governing the contract shall contain suitable provision for settlement of suchdisputes/differencesbindingonboththeparties.

(ii) Modeofsettlementofsuchdisputes/differencesshallbethrough

Arbitration. However, when a dispute / difference arises, then,

dependingontheposition of the case, either the employer (department) or the contractor shall give notice to the Other party of its intention to commence arbitration.

The applicable arbitration procedure will be aspert he Arbitration and Conciliation Act, 1996 as a mended by Amendment Act of 2015.

- (iii) Venue of Arbitration: The venue of arbitration shall be the place from where the contracthasbeenissued.
- (iv) **Applicable Law**: The contracts shall be interpreted in accordance with the laws of the UnionofIndia.
- (v) **Legal Advice**: While processing a case for arbitration, the purchase organization is to takelegaladvice, at appropriate stages from competent authorities viz their Legal Department.

(vi) SoleArbitration:

In the event of any question, dispute or difference arising under these terms & conditions or any conditioncontainedinthiscontractorinterpretationofthetermsof, or inconnection with this Contract (exceptasto any matter the decision of which is specially provided for by these conditions), the same shall be referred to the sole arbitration of a person, appointed to be the arbitrator by CMD, CCL. The award of the arbitrator shall be final and binding on the parties of this Contract.

- (a) In the event of the Arbitrator dying, neglecting or refusing to act or resigning or being unable to act forany reason, or his/her award being set aside by the court for any reason, it shall be lawful for CMD, CCLtoappointanotherarbitratorinplaceoftheoutgoingarbitrator inthemanneraforesaid.
- (b) It is further a term of this contract that no person other than the person appointed by CMD, CCL asaforesaid should act as arbitrator and that, if for any reason that is not possible, the matter is not to bereferred to Arbitration at all. Subject as aforesaid, Arbitration and Conciliation Act, 1996 as amended by Amendment Act of 2015, and the rules there under and any statutory modification thereof for the time being inforces hall be deemed to apply to the Arbitration proceedings under this clause.

The venue of arbitration shall be the place from which the contract is issued or such other place as CMD,CCLathisdiscretionmay determine.

(vii) Contracts with Partnership firm:

A partner is the implied authority to bind the firm in a contract coming in the purview of the usualbusinessofthefirm. Theimpliedauthorityofapartner,however,

doesnotextendtoenterintoarbitrationagreement on behalf of the firm. Therefore, while entering into a contract with partnership firm

careshouldbetakentoobtainconsentofallthepartnerstothearbitrationagreement.

Caresnoundoetakemoodiameonsemorantiiepartiierstourearontationagreement.					
17. E-way Bill: The e-way bill required in connection with supply of goods or services, if any, shall bearranged by the supplier/vendor. However, the e-way bill will be arranged by CIL/Subsidiary if the supplier/vendor is unregistered one or if provisions of the relevant Act and the rules made there underspecifically states that the e-way bill is required to be issued by recipient of goods.					
18. In the event of recovery of any claim towards LD Charges, Penalty, fee, fine or any other charges(Except EMD) from the supplier/ vendor, the same will be recovered along with the applicable GST and the amount shall be adjusted with the payment to be made to the supplier/ vendor against their bill/invoiceoranyotherdues.					
Further Performance Security/Earnest Money for feited will be inclusive of GST.

ADDITIONALTERMSANDCONDITIONS

$\label{lem:company} Fhe following additional terms and conditions are also acceptable to the company. The tenderers are requested not to quote the company of the company$	itea
nyfurtheradditionalconditionsinthetender.	

1. ApplicationofPriceVariationClause.

If the prices of materials (not being the materials supplied at fixed issue ratesby the company)and wages of labour required for execution of the work increase or decrease, the contractor shallbe compensated for such increase or recoveries will be made from the bills for such decrease asperprovisionsdetailedhereafter:

- a) The amount of the contract shall accordingly be varied subject to the condition that suchcompensation forescalation/ de-escalation in price shall be available only for the workdoneduring the stipulated period ofthecontractincluding such period forwhich thecontract is validly extended under the provisions of the contract without any penal action. The Price Variation Clause shall not be applicable for works, for which stipulated period of completion is six months or less.
- b) The base date for working out such escalation/de-escalation shall be the last date on whichthe bids (inclusive of price part) or revised price bids (inclusive of revised offer) were stipulated to be received.
- c) The compensation for escalation or recoveries to be made shall be worked out at quarterlyintervals and shall be with respect to the cost of work done during the previous threemonths. The first such payment will be made at the end of three months after the month(excluding) inwhichthetenderwasacceptedandthereafter atthree months'interval.
- d) Job specific modification in the formulae of price variation given in the following para(s)canbedone withtheapprovalof theCMDof thecompany

Escalation/ De-escalation for Labour: The amount paid to the contractor for the work done shallbeadjusted for increase or decrease in the cost of labour and the cost shall be calculated quarterly inaccordancewiththefollowingformula:

$$VL = W \times \frac{A}{100} \times \frac{L = L0}{Lo}$$

Where:

VL= Variation in labour cost i.e., increase or decrease in the amountinrupeestobepaidorrecovered.

W=Valueofworkdoneduringtheperiodunderreckoningtowhichtheescalation/de-escalation relates as indicated in clause-2.4 of the Additional Terms & Conditions of the contract.

- A = Component of labour expressed as percentage of the total value of theworkadoptedfromtheTable-1.
- Lo = Minimum wages forunskilled workers payable as per the Minimum Wages Act / Rulesof the State or Central Govt., whichever is more, applicable to the place of work as onthe last date stipulated for receipt of the bids (inclusive of price part) or revised pricebidswhicheverislater.
- L = Revised minimum wages of unskilled worker corresponding to Lo during the period towhichthe escalation/de-escalationrelates.

Escalation /De-escalation on Materials: The amount to be paid to the contractor for the workdone will be adjusted for increase or decrease in the cost of materials and the cost shall becalculated quarterly in accordance with the following formula:

$$V_{\text{m}=W} \times \frac{B}{100} \times \frac{M_{-M0}}{Mo}$$

Where:

- Vm =Variation inthematerial cost i.e. increase or decrease in the amount in rupees to be paidorrecovered.
- W=Costofworkdoneduring the period underreckoning to which the escalation /de-escalation relates as indicated in clause-2.4 of the Additional Terms & Conditions of the contract.
- B= Component of material expressed as percentage of the total value of thework adopted from the Table-1.
- M = Average All India Wholesale Price Index forall commodities forthe period to whichescalation/de-escalation relates as publishedbytheRBIBulletin, Ministry of Industry&Commerce,Govt.of India.
- Mo =AllIndiaWholesalePrice Indexfor all commoditiesaspublished by the RBIBulletin, Ministry of Industry & Commerce, Govt. of India, relating to the last date onwhich the bids (inclusive of price part) or revised price bids whichever is laterwerestipulatedtobereceived.

Escalation/ De-escalation on POL: The amount to be paid to the contractor for the work doneshall be adjusted for the increase or decrease in the cost of POL and the cost shall be calculated quarterly in accordance with the formula given below:

$$Vf=W\times^{C}$$
 $\overline{100}\times^{F=F0}$

Where:

- Vf = Variation in the cost of fuel, oil and lubricants increase or decrease in the rupees to bepaidorrecovered.
- W=Valueofworkdoneduringtheperiodunderreckoningtowhichtheescalation/de-escalation relates as indicated in clause 2.4 of the Additional terms & Conditions of the contract.
- C= Component of POL expressed as percentage of the total cost of the work taken from Table -1.
- F=AverageIndexNumberforwholesalepriceforthegroupof Fuel,Power,Light&Lubricants' as published by the Economic Adviser, Ministry of Industry, Govt. of India fortheperiodtowhichtheescalation/de-escalationrelates.
- Fo = Index number of wholesale price for the group, Fuel, Power, light & lubricants as publishedby the Economic Adviser, Ministry of Industry, Govt. of India prevalent on the last date ofreceiptofbids(inclusive of Price Part) or revised price bids which everislater.

While calculating the value of "W" the following may benoted: The cost on which theescalation will be payable shall be reckoned as 85 % of the cost of work as per the bills to whichescalation relates, and from this amount the value of materials supplied or services rendered at the prescribed charges under the relevant provisions of the contract, and proposed to be recovered in the particular bill, shall be deducted before the amount of compensation for escalation or de-escalationisworked out. In the case of materials brought to site for which any secured advance is included in the bill, the full value of such materials as assessed by the Engineer-in-Charge (and not the reduced amount for which secured advance has been paid) shall be included in the cost of work done for operation of this clause. Similarly, when such materials are incorporated in the work and the secured advance is deducted from the bill, the full assessed value of the materialsoriginally considered for operation of this clause should be deducted from the cost of the workshown in the bill, running or final. Further the cost of work shall not include any work for whichpaymentismadeatprevailingmarketrates.

In the event the price of materials and/or wages of labour required forexecution of the workdecreases, there shall be downward adjustment of the cost of work so that such price of materialsand/or wages of labour shall be deductible from the cost of work under this contract and in this regardthe formulae herein before stated under this clause shall mutatis/mutandis apply. No such adjustmentfor the increase / decrease in material price and/ or wages of labour before mentioned would be madein case of contracts related to capital works, in which the stipulated period of completion of the workissix(6)monthsorless.

Application of Price Variation Clause during extended period of Contracts.

The

Price Variation Clause as stated above will be applied for extended time frame of a contract by following the principle stated as under:

- Normally, if and when it is understood that a contract is not going to be completed withinthescheduledtimeperiod,thecontractiskeptoperativebyextendingthetimeofcompletion provisionally. During this provisional extended period the operationofthePriceVariationClause willremainsuspended.
- ii) If and when it is decided at the end of the successful completion of the work that the delaywas due to causes not attributable to the contractor, then the Price Variation Clause will berevived and applied as if the scheduled date of completion has been shifted to the approvedextendeddate.
 - iii) If it is decided at the end of successful completion of the work that the delay was due to thefault of the contractor then the Price Variation Clause will not be revived for the purpose ofescalation but shall be revived and applied for the purpose of de-escalation and no furtherpayment will be made to the contractor on account of any escalation during this period butrecoveryshallbemadeforde-escalation,ifany.Additionally,theClauserelatedtoCompensationfordelaywillbeapplied
 - iv) If it is decided at the end of successful completion of work, the delay was partly due to the fault of the contractor and partly due to the fault of the employer and thereby LiquidatedDamages (LD)/compensation due to delay is imposed then price variation clause for thepurpose of escalation shall not be revived for this extended period, but shall be revived andappliedforthepurpose of de-escalation.

Nopaymentwillbemadebyapplying"FROZEN INDICES"underanycircumstances.

${\bf SPECIALTERMS AND CONDITIONS (IF ANY)}$

TECHNICAL SPECIFICATIONS (Technical Specifications to be mentioned)

SAFETYCODE		
Suitable scaffolds should be pro- theground, or from solid construct Whenaladderisused,anextramazdoo	tion except such short period w	orks that cannot safely be done from ork as can be done safely from ladders. dderandiftheladderisusedfor

carrying materials as well suitable footholds and hand-holds hall be provided on the ladder and the ladders hall be given an inclination not steeper that $\frac{1}{4}$ to $\frac{1}{4}$ horizontal and $\frac{1}{4}$ vertical).

- 2. Scaffolding of staging more than 3.6 m (12ft). above the ground or floor, swung or suspended from anoverhead support or erected with stationary support shall have a guard rail properly attached or bolted, braced and otherwise secured at least 90 cm (3ft) high above the floor or platform of such scaffolding orstaging and extending along theentire lengthofthe outside and endsthereof with only such opening asmay be necessary for the delivery of materials. Such scaffolding or staging shall be so fastened as topreventitfroms waying from the building or structure.
- 3. Working platforms, gangways and stairways should be so constructed that they should not sag unduly orunequally, and if the height of the platform or the gangway or the stairway is more than 3.6 m (12ft) aboveground level, they should be closely boarded, should have adequate width and should be suitably fastenedasdescribedin(2)above.
- 4. Every opening in the floor of a building or in a working platform shall be provided with suitable means toprevent the fall of person or materials by providing suitable fencing or railing whose minimum height shallbe90cm(3ft).
- 5. Safety means of access shall be provided to all working platforms and other working places. Every laddershall be securely fixed. Noportable single ladder shall be over 9 m (30ft) in length while the widthbetweensiderailsinrungladdershallinnocasebelessthan20cm(11½")forladderuptoandincluding3 m (10ft) in length. For longer ladders, this width should be increased at least ¼" for additional 30 cm(1ft.) of length. Uniform step spacing of not more than 30 cm shall be kept. Adequate precautions shall betaken to prevent danger from electrical equipment. No materials on any of the sites or work shall be sostacked or placed as to cause danger or inconvenience to any person or the public. The contractor shallprovide all necessary fencing and lights to protect the public from accident and shall be bound to bear theexpenses of defense of every suit, action or other proceedings at law that may be brought by any person forinjury sustained owing to neglect of the above precautions and to pay any damages and cost which may beawarded in any such suit; action or proceedings to any such person or which may, with the consent of the contractor, bepaidtocompensateany claimby any such person.
- 6. Excavation and Trenching: All trenches 1.2 m (4ft) or more in depth, shall at all times be supplied with atleast one ladder for each 30 m. (100 ft.) in length or fraction thereof. Ladder shall extend from bottom ofthe trench to at least 90 cm (3ft) above the surface of the ground. The side of the trenches which are 1.5 m(5ft) or more in depth shall be stepped back to give suitable slope or securely held by timber bracing, so asto avoid the dangerof sides collapsing. The excavated materials shall not be placed within 1.5 m (5ft) ofthe edges of the trench or half of the depth of the trench whichever is more. Cutting shall be done from toptobottom. Undernocircumstances, undermining or undercutting shall bedone.
- 7. Demolition:beforeanydemolitionworkiscommencedandalsoduringtheprogressofthework,
- i. Allroadsand openareasadjacenttotheworksiteshalleither beclosedorsuitablyprotected.
 - ii. No electric cable or apparatus which is liable to be a source of danger or a cable or apparatus used bytheoperatorshall remainelectricallycharged.
 - iii. All practical steps shall be taken to prevent danger to persons employed from risk of fire or explosionor flooding. No floor, roof or other part of the building shall be so overloaded with debris or materialsastorenderitunsafe.
 - 8. All necessary personal safety equipment as considered adequate by the Engineer-in-Charge should be keptavailable forthe use ofthe personemployed on the site andmaintained in acondition suitable forimmediate use, and the contractor should take adequate steps to ensure proper use of equipment by thoseconcerned. Those engaged in welding works shall be provided with welder's protective eye-shields.

- 9. The Contractor shall not employ men and women below the age of 18 years on the work of painting withproducts containing lead in any form. Wherever men above the age of 18 are employed on the work of leadpainting, the following precaution should be taken:
 - a) Nopaintcontainingleadorleadproductsshallbeusedexceptintheformofpasteorreadymadepaint.
 - b) Suitableface masksshouldbesuppliedforusebytheworkerswhenpaintisappliedintheformofsprayor asurfacehavingleadpaintisdryrubbedandscrapped.
 - $c) \ \ Overalls shall be supplied by the contractors to the work men and adequate facilities shall be provided to enable the working painters toward uning and on the cessation of work.$
 - d) Measuresshallbetaken,whereverpracticable,topreventdangerarisingoutoffromdustcausedbydryru bbingdownandscraping.
 - e) Adequatefacilitiesshallbeprovidedtoenableworkingpainterstowashduringandoncessationofwork.
 - f) Overallshallbewornbyworkingpaintersduringthewholeofworkingperiod.
 - g) Suitable arrangementshall bemadeto preventclothing putoffduring workinghoursbeingspoiledbypaintingmaterials.
 - 10. When the work is done near any place where there is risk of drowning, all necessary equipments shouldbe provided and kept ready for use and all necessary steps taken for prompt rescue of any person indanger and adequate provision, should be made for prompt first aid treatment of all injuries likely to be be be tained during the course of the work.
 - 11. Use of hoisting machines and tackle including their attachments, anchorage and supports shall conformtothefollowingstandardsorconditions:
 - i) (a) These shall be of good mechanical construction, sound materials and adequate strength and freefrompatentdefectsandshallbekeptrepaired and ingo odworking order.
 - (b) Every rope used in hoisting or lowering materials or a same ansof suspension shall be of durable quality and a dequate strength, and free from patent defects.
 - ii) Every crane driver or hoisting appliance operator, shall be properly qualified and no person undertheageof 21 years should be incharge of anyhoisting machine including any scaffolding winchorgive signal stooperator.
 - iii) In case of every hoisting machine and of every chain ring hook, shackle swivel and pulley blockused in hoisting or as means of suspension, the safe working load shall be ascertained by adequatemeans. Every hoisting machine and all gear referred to above shall be plainly marked with the safeworking load. In case of a hoisting machine having a variable safe working load each safe workingload and the condition under which it is applicable shall be clearly indicated. No part of anymachine or any gear referred to above in this paragraph shall be loaded beyond the safe workingloadexceptforthepurposeof testing.
 - iv) Incaseofdepartmentalmachines, thesa feworking loads hall be notified by the Electrical Engineer-in-Charge. As regards contractor's machines the contractors shall notify the safe working load of the machine to the Engineer-in-Charge whenever he brings any mach 8 inery to site of work and get it verified by the Electrical Engineer concerned.
- 12. Motors, gearing, transmission, electric wiring and other dangerous parts of hoisting appliances should be provided with efficient safeguards. Hoisting appliances should be provided with such means as will reduce to the minimum the risk of accidental descent of the load. Adequate precautions should be taken to reduce to the minimum the risk of any part of a suspended load becoming accidentally displaced. When workers are employed one lectrical installations which are already energized, insulating mats, we aring apparel, such

- as gloves, sleeves and boots as may be necessary should be provided. The workers hould not we arany rings, watches and carrykeys or other materials which are good conductors of electricity.
- 13. All scaffolds, ladders and other safety devices mentioned or described herein shall be maintained in safecondition and no scaffold, ladder or equipment shall be altered or removed while it is in use. Adequatewashingfacilities should be provided a tornear places of work.
- 14. These safety provisions should be brought to the notice of all concerned by display on a notice board at aprominent place at work spot. The person responsible for compliance of the safety code shall be namedthereinbythecontractor.
- 15. Toensureeffectiveenforcementoftherulesandregulationsrelatingtosafetyprecautionsthearrangements made by the contractor shall be open to inspection by the Labour Officer or Engineer-in-Chargeofthedepartmentortheirrepresentatives.
- 16. Notwithstanding the above clauses from (1) to (15), there is nothing in these to exempt the contractor from the operations of any other Actor Rulein force in the Republic of India.

You further acknowledge and agree that the CIL/subsidiary shall not be responsible or liable, directly orindirectly, for any damage or loss caused or alleged to be caused by or in connection with use of or reliance onanysuchContent,GoodsorServicesavailableonorthroughanysuchsite orresources.

Miscellaneous:

This Agreement shall all be governed and construed in accordance with the laws of India & applicable toagreements made and to be performed in India. The e-Tender portal's failure to insist upon or enforce strictperformance of any provision of this Agreement shall not be construed as a waiver of any provision or right. Neitherthecourse of conductbetween the parties nortrade practices hall act to modify any provision of this

Agreement. CIL/subsidiary may assign its rights and duties under this Agreement to any party at any timewithoutnoticetoyou. Anyrights not expressly granted herein are reserved.

GoverningLaw:

Terms shall be governed by, and construed in accordance with, Indian law. The parties agree that the principalcivil court of the place where the registered office of Coal India/Subsidiary Company is situated shall havenon-exclusive jurisdiction to entertain any dispute with Coal India/Subsidiary company. In case ofdisputebeing with a regional Institute of CMPDIL, the principal Civil Court where the said regionalInstitute issituatedshallbeplaceof suing.

CIL/subsidiary reserves the right to initiate any legal action against those bidders violating all or any of theabovementionedterms&conditionsofe-Tenderservicesagreement.

ModificationoftermsofAgreement:

CIL/its Subsidiaries reserves the right to add to or change/modify the terms of this Agreement. Changes couldbe made by us after the first posting to the Site and you will be deemed to have accepted any change if you continue to access the Site after that time. CIL/its Subsidiaries reserves the right to modify, suspend/cancel, or discontinue any or all services/ make modifications and alterations in any or all of the content, at any timewithoutpriornotice.

PolicyandSecurity:

GeneralPolicy:

CIL/its Subsidiaries is committed to protecting the privacy ofour e-Tender site visitors. CIL/subsidiary doesnot collect any personal or business information unless you provide it to us voluntarily when conducting anonlineenrolment, bidsubmissionetc.oranyothertransaction on the Site.

InformationCollected:

When you choose to provide personal or business information to us to conduct an online transaction, we use itonly for the purpose of conducting the specific online transaction that you requested. The information is alsoused for the purpose of vendor searches. For each online transaction, we require only a minimum amount ofpersonal and business information required to process your transaction.

When you visit our portal to browse, read pages, or download information, we automatically collect and storeonlythefollowing information:

Internetdomain and IP address from which you access

our portal; The date and time you access our portal;

Thepagesyouvisit

This information would help us to make oursite more useful to visitors and to learn about the number of visitors to our site and the types of technology our visitors use.

We do not give, share, sell or transfer any personal information to a third party unless required to do so by law. If you do not want any personal or business information to be collected, please do not submit it to us; however, without this required information we will be unable to process your online bid submission or any other online transaction. Review, update and correction of any personal or business information can be done directly on the Site.

UseofCookies:

When you choose to enter into an online transaction, we use cookies to save the information that you input while progressing through the transaction. A cookie is a very small amount of data that is sent from our serverto your computer's hard drive. By enabling this feature, the cookie will remember the data entered by you andnext time when you visit this site, the data stored in the cookie will be available in future.

Security: The Site has security measures in place to protect against the loss, misuse and alteration of information under our control.

e-Mail / SMS Notifications: The GePNIC e-Procurement Server has functionality of automaticallysending e-Mail / SMS alerts at various events as per the bidder's preference. There is no manualinterventionwhilesendingthesepre-definede-Mail/SMSalerts. Allevents for whiche-Mails/SMSbeing sent is also available to users on the Dash Board / the user login of the Bidder. Although allefforts will be made to ensure timely delivery of e-Mail / SMS, due to dependency in various other external factors, the delivery of e-Mail / SMS may not be assured and bidders are requested to check the portal on a periodic basis for any such events. Non-receipt of e-Mail / SMS cannot be quoted as areason for failure of service as this is an added facility being provided to users.

 $\underline{Competent Authority and procedure for Registration with Competent Authority in case of bidder from a country which shares a land border with India$

- A. The Competent Authority for the purpose of registration under this Order shall be the Registration Committee constituted by the Department for Promotion of Industry and Internal Trade (DPIIT)*.
- B. The Registration Committee shall have the following members*:
 - An officer, not below the rank of Joint Secretary, designated for this purpose by DPIIT, who shall be the Chairman;
 - Officers (ordinarily not below the rank of Joint Secretary) representing the Ministry of Home Affairs, Ministry of External Affairs, and of those Departments whose sectors are covered by applications under consideration;
 - Any other officer whose presence is deemed necessary by the Chairman of the Committee.
- C. DPIIT shall lay down the method of application, format etc. for such bidders as stated in para 1 of this Order.
- D. On receipt of an application seeking registration from a bidder from a country covered by para 1 of this Order, the Competent Authority shall first seek political and security clearances from the Ministry of External Affairs and Ministry of Home Affairs, as per guidelines issued from time to time. Registration shall not be given unless political and security clearance have both been received.
- E. The Ministry of External Affairs and Ministry of Home Affairs may issue guidelines for internal use regarding the procedure for scrutiny of such applications by them.
- F. The decision of the Competent Authority, to register such bidder may be for all kinds of tenders or for a specified type(s) of goods or services, and may be for a specified or unspecified duration of time, as deemed fit. The decision of the Competent Authority shall be final.
- G. Registration shall not be granted unless the representatives of the Ministries of Home Affairs and External Affairs on the Committee concur*.
- H. Registration granted by the Competent Authority of the Government of India shall be valid not only for procurement by Central Government and its agencies/ public enterprises etc. but also for procurement by State Governments and their agencies/ public enterprises etc. No fresh registration at the State level shall be required.

- I. The Competent Authority is empowered to cancel the registration already granted if it determines that there is sufficient cause. Such cancellation by itself, however, will not affect the execution of contracts already awarded. Pending cancellation, it may also suspend the registration of a bidder, and the bidder shall not be eligible to bid in any further tenders during the period of suspension.
- J. For national security reasons, the Competent Authority shall not be required to give reasons for rejection / cancellation of registration of a bidder.
- K. In transitional cases falling under para 3 of this Order, where it is felt that it will not be practicable to exclude bidders from a country which shares a land border with India, a reference seeking permission to consider such bidders shall be made by the procuring entity to the Competent Authority, giving full information and detailed reasons. The Competent Authority shall decide whether such bidders may be considered, and if so shall follow the procedure laid down in the above paras.
- L. Periodic reports on the acceptance/ refusal of registration during the preceding period may be required to be sent to the Cabinet Secretariat. Details will be issued separately in due course by DPIIT.

[*Note:

- i. In respect of application of this Order to procurement by/ under State Governments, all functions assigned to DPIIT shall be carried out by the State Government concerned through a specific department or authority designated by it. The composition of the Registration Committee shall be as decided by the State Government and paragraph G above shall not apply. However, the requirement of political and security clearance as per para D shall remain and no registration shall be granted without such clearance.
- ii. Registration granted by State Governments shall be valid only for procurement by the State Government and its agencies/ public enterprises etc. and shall not be valid for procurement in other states or by the Government of India and their agencies/ public enterprises etc.]

F.No.6/18/2019-PPD Ministry of Finance Department of Expenditure Public Procurement Division

> 161, North Block New Delhi 23rd July, 2020

Order (Public Procurement No. 2)

Subject: Exclusion from restrictions under Rule 144 (xi) of the General Financial Rules (GFRs), 2017 –regarding.

In Order (Public Procurement No. 1) dated 23rd July 2020, orders have been issued requiring registration of bidders from a country sharing a land border with India in order to be eligible to bid in public procurement.

- Notwithstanding anything contained therein, it is hereby clarified that the said Order will not apply to bidders from those countries (even if sharing a land border with India) to which the Government of India has extended lines of credit or in which the Government of India is engaged in development projects.
- Updated lists of countries to which lines of credit have been extended or in which development projects are undertaken are given in the website of the Ministry of External Affairs.

(San Prasad)
Joint Secretary (PPD)

GuidelinesforBanningofBusiness

- CIL and its Subsidiary Companies shall follow the following guide lines for effecting `Banning of Business' with a contracting entity in respect of Works and Services Contracts.
- 1. ObservanceofPrincipleofNaturalJusticebeforebanningthebusinessdealingswithanycontractingentity.
- 2. The contracting entity may be banned in the following circumstances:-
- i) IfbidderbacksoutafternotificationofopeningofpricebidandifthatbidderisfoundtobeL-1.
- ii) If L-1 bidder fails to submit PSD and/or fails to execute the contract within stipulated period.
- iii) IfL-1bidderfailstostarttheworkonscheduledtime.
- iv) Incaseoffailuretoexecutetheworkaspermutuallyagreedworkschedule.
- v) ContinuedandrepeatedfailuretomeetcontractualObligations:
- a. Incase of partial failure on performance, agency shall be banned from future participation intenders keeping his present contractalive.
- b. Ontermination of contract.
- vi) WillfulsuppressionoffactsorfurnishingorwronginformationormanipulatedorforgeddocumentsbytheAgencyorus inganyotherillegal/unfairmeans.
- vii)Formationofpricecartelswithothercontractorswithaviewtoartificiallyhikingtheprice.
- viii) The contractorfailstomaintain/repair/redo the work upto the expiry of performance guarantee period, when it is specifically brought to his notice.
- ix) Contractor failstouseMobilizationadvancegiventohimforthepurposeitwasintended.
- x) Contractorfailstorenewthese curities deposited to the department.
- xi) Thecontractorfailstorectifyanylapse(s)inqualityoftheworkdonewithindefectliabilityperiod.xii)Transgressionof any clause(s)relatingto Contractor'sobligationdefined intheIntegrityPactwhereversuch Pactexists.
- xiii) AnyotherbreachofContractormisdeedwhichmay causefinanciallossorcommercialdisadvantage totheCompany.
- 3. Such 'Banning of Business', if and when effected, shall be with prospective effect only. The effect of 'Banning of Business' shall be for future tenders from the date of issue of such Order. However, if any contracting entity is banned after online notification of opening of Price Bid, such a ban will not be effective for that work.
- 4. The banning shall be for a minimum period of one year and shall be effective for the concerned Subsidiary forthe tenders invited at Subsidiary level. Similarly, in case of tenders of CIL HQ, banning shall be for CIL HQ. However, if such 'Banning of Business' has to be made effective for entire CIL and its Subsidiaries then approval of Chairman, CIL shall be required.
- 5. Once a contracting entity is banned, it shall be extended to the constituents of that entity, all the partners incase of Partnership Firm, owner/proprietor in case of Proprietorship Firm and all the Directors in case of Limited Company. If such banned owner/Proprietor/ Partner/Director make/form different Firms/entity and attempts to participate intenders, the same will not be entertained during the currency of such banning.
- 6. The above 'Banning of Business' shall be in addition to other penal provisions of NIT/Contract document.
- 7. **ApprovingAuthority:** The 'Banning of Business' of a contracting entity shall be done with the approval of the Competent Authority as per the details below:
- a) In case the Accepting Authority of the work is Board or Empowered Committee or FDs or CMD of CIL/Subsidiary Company, then the Competent Authority for banning shall be CMD of CIL/Subsidiary Company.
- b) IncasetheAcceptingAuthorityoftheworkisuptothelevelofDirectorofCIL/SubsidiaryCompany,thentheCompetentAuthorityforbanningshallbeDirectorofCIL/SubsidiaryCompany.

- 8. Appellate Authority shall be one Rank higher than the Competent Authority meant for 'Banning of Business'. In case the banning is done with the approval of CMD of the Subsidiary Company then Chairman, CIL shallbethe Appellateauthorly.
- 9. Anychangeontheabovemaybe done withapprovalofFDsof CIL.
- 10. All the orders of banning or orders passed in appeal shall be marked to GM(CMC) / E&M/ MM / concernedHODs of CIL/Subsidiary Company. Further, all such orders will be uploaded in Coal India site as wellwebsiteof theSubsidiaryCompany.
- 11. Efforts shall be made by the concerned Department so that such orderis linked to e-tenderportal of CoalIndiaLimited.
