- E. 'Margin of Purchase Preference' meansthemaximumextent to which theprice quotedby a Class-I local supplier may be above the L1 for the purpose of purchase preference. The margin of purchase preference is 20%.

Intermsoftheabovesaidpolicy,purchasepreferenceshallbegiventolocalsuppliersinthe following manner:

I. Intheprocurementofworkswhicharedivisibleinnature,thefollowingprocedureshall be followed: -

- i) Among all qualified bids, the lowest bid will be termed as L-1. If L-1 is from a Class-I local supplier, the contract for full quantity will be awarded to L-1 at L-1 price by the Purchaser.
- ii) IfL-1isnotaClass-Ilocalsupplier,50% of the order quantity shall be awarded to L 1. Thereafter, the lowest Bidder among the Class-I local suppliers will be invited to match the L-1 price for the remaining 50% quantity subject to Class-I local supplier's quoted price falling within the margin of purchase preference, and the contract for that quantity shall be awarded to such local supplier subject to his matching the L-1 price. In case such lowest eligible Class-I supplier fails to match the L-1 price or accept less than the offer quantity, then ext higher Class-Ilocal supplier within the margin of purchase preference shall be invited to match the L-1 price for remaining quantity and soon, and contract shall be awarded accordingly. Incases omequantity is still left uncovered on Class-I local supplier, then such balance quantity may also be ordered on L-1 Bidder.
- **II.** Intheprocurement of works which are not divisible, and inprocurement of services where the bid is evaluated on price alone, the following procedure shall be followed:
 - i) Among all qualified bids, the lowest bid will be termedas L-1. If L-1 isfrom a Class- I local supplier, the contract will be awarded to L-1.
 - If L-1 is not from a Class-I local supplier, the lowest Bidder among the Class-I local suppliers, will be invited to match the L-1 price subject to Class-I local supplier's quotedpricefallingwithinthemarginofpurchasepreference, and the contractshall be awarded to such Class-I local supplier subject to matching the L-1 price.

B. DelaysinExecution

A work may be completed ahead of schedule or delayed due tounforeseen fortuitous circumstances, extra effort or developments beyond the control of CIL/Subsidiary or the tenderer and it is sometimes difficult to apportion credit or responsibility. The contractor may experience delay or disruption due to his own actions or inaction, those of his sub-contractor or other contractors, those of CIL/Subsidiary or the engineer, or other causes. Such delays expose the non-performing party to various sanctions under the contract. These sanctions include extensionoftime, damages or default termination of the contract. While examining the request of the contractor for extension of time, the engineer shall consider all circumstances and categorise the delays as follows:

- a) Excusabledelays-ForceMajeure(FM),thatis,actsofGod,abnormalweather, floods, and so on, applies;
- b) Compensable delays-or CompensationEvents,which putfull burden of responsibility on CIL/Subsidiary; and

- F. **HINDERANCE REGISTER** shall be maintained by both department and the contractor at site to record the various hindrances encountered during the course of execution.

Hindrance register will be signed by both the parties. The contractor may also record his observations in the Hindrance Register. In case the contractor has a differentopinionforhindranceandadisputearisesthenthematterwouldbe referred to the EIC and or the next higher authority whose decision would be final & binding on the contractor & the decision to be communicated within 15 days.

G. Interim Extension of completion time may be granted by Tender Accepting Authority limited to GM(E&M)/HoD for HQ works and Area GM for area works as per provision of clause 6.4.1 below, based on the recommendation of the Engineer-in-Charge of the work during the course of execution of work reserving the right to impose/waive the clause relating to compensation for delay at the time of granting final extension of time depending upon the merit of the case. Final Extension of completion time is to be granted by Tender Approving Authority limited to CMD of CIL/ Subsidiary.

GeneralPrinciplesforGrantingExtensionofTime

i) AtthetimeofissuingnoticeinvitingtendersforaparticularworktheEngineer- in-Charge should specify the time allowed for completion of the work consistent with the magnitude and urgency of the work.

ii) The time allowed for carrying out the work as entered in the contract shall be strictly observed by the contractor and shall be reckoned from the Date of Commencement of the work as given to the contractor.

iii) The work shall throughout the stipulated period of the contract be proceeded with all due diligence (time being deemed to be the essence of the contract) on the part of the contractor.

iv) To ensure good progress of work during the execution, the contractor shall meticulouslyfollowthepresettimeandprogresschartandintheeventofslippages inonesegment,alleffortswillbemadetoliquidatetheslippagesinthenextstages.

v) If the contractor shall desire an extension of time for completion of work on the grounds of his having been unavoidably hindered in its execution or on any other grounds as mentioned above shall make application to Engineer-In-Charge for extension of contract within a reasonable period prior to expiry of Contract Period (Preferably not later than 15 days prior to expiry of Contract Period). Engineer-In-Charge shall process the proposal based on the merit of the case for obtaining approval of Competent Authority. Such extension shall be communicated to the contract or in writing by the company through Engineer-in-Charge before the expiry of Contract Period.

vi) Engineer-in-Charge shall process extension of time for the completion of the work if the following conditions are satisfied:

a) The contractor must apply to the Engineer-in-Charge inwriting for extension of

time.

b) Such application must state the ground swhich hindered the contractor in the execution of the work within the stipulated time.

c) Such application must be made within a reasonable period prior to expiry of Contract Period (Preferably not later than 15 days prior to expiry of Contract Period).

d) The Engineer-in-Charge must be of the opinion that the grounds shown for the extension of time are reasonable.

vii) Deleted

viii) The opinion of the Engineer-in-Charge, whether the grounds shown for the extension oftimeare ornot reasonable, isfinal. If the Engineer-in-Charge is of the opinion that the grounds shown by the contractor are not reasonable and declines to process the extension of time, the contractor may approach concerned SO (E&M) /GM (E&M) /Director (As the case may be) whose opinion shall be final and binding on all concerned.

ix) All interim extensions of time shall be granted by Tender Accepting Authority limited to GM(E&M)/HoD for HQ works and Area GM for area works and all final extension of time shall be granted by Tender Accepting Authority limited to Chairman/ CMD of CIL/ Subsidiary.

Effort should be made to complete the work within the original contract period or extended period.

x) In case the contractor does not apply for grant of extension of time before the expiry of contract period and the department wants the contractor to continue with the work beyond the stipulated date of completion, the Engineer-in-Charge can processproposalforextensionoftimeevenintheabsenceofapplicationfrom the contractor as per the following guidelines :

a) Whenever any hindrance comes to the notice of the In Charge of the work, he should at once make a note of such hindrance in the register kept at site. He should alsomakeareporttoEICoftheoccurrenceofsuchhindrance.

- b) The proposal for extension of time should be processed by EIC for obtaining the approval of Competent Authority (Ref Cl (ix) above. This should be processed preferably15dayspriortotheexpiryofContractPeriod.
- c) If the orders of the higher authority are not received in time, he should extend he contract before thestipulated date actually expires so that the contract might

remain in force but while communicating this extension of time, he must inform the contractor that this was without prejudice to Company's right to levy compensation underrelevant clause of the agreement. Such extension of time given by EIC shall be considered as fait-accompli in future.

xi) Theperiodduringwhichthecontractremainsvalidisamatterofagreement and if the period originally set for the completion of the work comes to an end nothingshortofagreementofthepartycanextend the subsistenceand validity of the contract.

xii) When the period fixed for the completion of the contract is about to expire, the question of extension of the contract may be considered at the instance of the contractor or the Department or of both.

(iv) ApplicableLaw:Thecontractsshallbeinterpretedinaccordancewiththelawsof the Union of India.

(v) LegalAdvice:

While processing a case for arbitration, the purchase organization is to take legal advice, at appropriate stages from competent authorities viz their Legal Department.

(vi) FollowingclauseshallbeincludedintheGeneralConditionsoftheContract (GCC):

SoleArbitrationClause:

In the event of any question, dispute or difference arising under these terms& conditions or any condition contained in this contract or interpretation of the terms of, or in connection with this Contract (except as to any matter the decision of which is specially provided for by these conditions), the same shall be referred to the sole arbitration of a person, appointed to be the arbitrator by the Chairman, CIL/ CMD of Subsidiary Company (as the case may be). The awardofthe arbitratorshall be finaland binding on the parties of this Contract.

(a) In the event of the Arbitrator dying, neglecting or refusing to act or resigning or being unable to act for any reason, or his/her award being set aside by the court for any reason, it shall be lawful for the Chairman, CIL / CMD ofSubsidiaryCompany (as the case may be) to appoint another arbitrator in place of the outgoing arbitrator in the manner aforesaid.

(b) It is further a term of this contract that no person other than the person appointed by the Chairman, CIL / CMD of Subsidiary Company (as the case may be) as aforesaid should act as arbitrator and that, if for any reason that is not possible, the matter is notto be referred to Arbitration at all.

Subject as aforesaid, Arbitration and Conciliation Act, 1996 as amended by Amendment Act of 2015, and the rules thereunder and any statutory modification thereof for the time being in force shall be deemed to apply to the Arbitration proceedings under this clause.

The venue of arbitration shall be the place from which the contract is issued or such other place as the Chairman, CIL / CMD of SubsidiaryCompany(as the case maybe) at his discretion may determine.

(vii) ContractswithPartnershipfirm/JointVenture:

 $\label{eq:constraint} A partner is the implied authority to bind the firm in a contract coming in the purview$

oftheusualbusinessofthefirm. The implied authority of a partner, however, does not extend to enter into arbitration agreement on behalf of the firm. ADDITIONALTERMSANDCONDITIONS

The following additional terms and conditions are alsoacceptabletothecompany. The tenderers are requested not to quote any further additional conditions in the tender.

1. DELETED

2. ApplicationofPriceVariationClause.

If the prices of materials (not being the materials supplied at fixed issue rates by the company) and wages of labour required for execution of theworkincreaseor decrease, the contractor shall be compensated for such increase or recoveries will be made from the bills for such decrease as per provisions detailed hereafter:

a) The amount of the contract shall accordingly be varied subject to the condition that such compensationforescalation/de-escalationinpriceshallbeavailableonlyfor the work done during the stipulated period of the contract including such period for whichthecontractisvalidlyextendedundertheprovisionsofthecontractwithout any penal action as detailed in clause no. 2.6. The Price Variation Clause shall not be applicableforworksforwhichstipulatedperiodofcompletionislessthanoneyear.

b) Thebase dateforworkingoutsuch escalation/de-escalationshallbethelastdate on which the bids (inclusive of price part) or revised price bids (inclusive of revised offer) were stipulated to be received.

c) The compensation for escalation or recoveries to be made shall be worked out at quarterly intervals and shall be with respect to the cost of work done during the previous three months. The first such payment will be made at theendofthreemonths afterthe month (excluding) inwhichthe tender was accepted and thereafterat three months' interval.

d) Job specific modification in the formulae of price variation given in the following para(s) can be done with the approval of the CMD of the company.

Escalation/ De-escalation for Labour: The amount paid to the contractor for the work done shall be adjusted for increase or decrease in the cost of labour and the costshallbe calculated quarterly in accordance with the following formula:

$$VL=W\times^A \frac{100}{100} \times \frac{L-L0}{L0}$$

Where:

VL=Variationinlabourcosti.e., increase or decrease in the amount in rupees to be paid or recovered.

W = Value of work done during the period under reckoning to which the escalation/de-escalationrelatesasindicatedinclause-2.4oftheAdditional Terms & Conditions of the contract.

- A = Component of labour expressed as percentage of the total value of the work adopted from the Table -1.
- Lo = Minimum wages for unskilled workers payable as per the Minimum Wages Act / Rules of the State or Central Govt., whichever is more, applicabletotheplaceofworkasonthelastdatestipulatedforreceiptof the bids(inclusive of price part) or revised price bids whichever is later.

L = RevisedminimumwagesofunskilledworkercorrespondingtoLo during the period to which the escalation/de-escalation relates.

Escalation /De-escalation on Materials: The amount to be paid to the contractor for the work done will be adjusted for increase or decrease in the cost of materials and the cost shall be calculated quarterly in accordance with the following formula:

$$Vm=W\times^B \frac{M-M0}{Mo}$$

Where:

- Vm= Variation in the material cost i.e. increase or decrease in the amount in rupees to be paid or recovered.
- W=Costofworkdoneduringtheperiodunderreckoningtowhichthe escalation / deescalation relates as indicated in clause-2.4 of the Additional Terms & Conditions of the contract.
- B = Component of material expressed as percentage of the total value of the work adopted from the Table -1.
- M = AverageAll India Wholesale Price Index for all commodities for the period to which escalation/de-escalation relates as published by the RBI Bulletin, Ministry of Industry & Commerce, Govt. of India.
- Mo = All India Wholesale Price Index for all commodities as publishedby the RBI Bulletin, Ministry of Industry & Commerce, Govt. of India, relating to thelastdateonwhichthebids(inclusiveofpricepart)orrevisedpricebids whichever is later were stipulated to be received.

Escalation/ **De-escalation on POL**: The amount to be paid to the contractor for the work done shall be adjusted for the increase or decrease in the cost of POL and the cost shall be calculated quarterly in accordance with the formula given below:

$$Vf=W \times^{C} \frac{100}{100} \times \frac{F-F0}{F0}$$

Where:

- Vf = Variation in the cost of fuel, oil and lubricants increase or decrease in the rupees to be paid or recovered.
- W = Value of work done during the period under reckoningtowhichthe escalation/ de-escalation relates as indicated in clause 2.4 of the Additional terms & Conditions of the contract.

- C=ComponentofPOLexpressedaspercentageofthetotalcostoftheworktaken from Table -1.
- F = Average Index Number for wholesale price for the group of `Fuel, Power, Light & Lubricants' as published by the Economic Adviser, Ministry of Industry,Govt.ofIndiafortheperiodtowhichtheescalation/de-escalation relates.
- Fo = Index number of wholesale price for the group, Fuel, Power, light & lubricants as published by the Economic Adviser, Ministry of Industry, Govt.ofIndiaprevalentonthelastdateofreceiptofbids(inclusiveofPrice Part) or revised price bids whichever is later.

While calculating the value of "W" the following may be noted : The cost on which the escalation will be payable shall be reckoned as 85% of the cost of work as which escalation relates and from this amount the value of materials perthebillsto supplied or services rendered at the prescribed charges under the relevant provisions ofthecontract, and proposed to be recovered in the particular bill, shall be deducted before the amount of compensation for escalation or de-escalation is worked out. In thecaseofmaterialsbroughttositeforwhichanysecuredadyanceisincludedinthe bill. the full value of such materials as assessed by the Engineer-in-Charge (and not the reduced amount for which secured advance has been paid) shall be included in the cost of work done for operation of this clause. Similarly, when such materials are incorporated in the work and the secured advance is deducted from the bill, the full assessed value of the materials originally considered for operation of this clause should be deducted from the cost of the work shown in the bill, running or final. Further the cost of work shall not include any work for which payment is made at prevailing market rates.

In the event the price of materials and/ or wages of labour required for execution of theworkdecreases, thereshall be downward adjustment of the cost of work of materials and/or wages of labour shall be deductible from the cost of work under this contract and in this regard the formula eherein before stated under this clause shall mutatis/mutand apply. No such adjustment for the increase / decrease in material price and/or wages of labour beforementioned would be made in case of contracts in which the stipulated period of completion of the work is less than one year.

$\label{eq:application} Application of Price Variation Clause during extended period of Contracts.$

ThePriceVariationClauseasstatedabovewillbeappliedforextendedtimeframeof a contract by following the principle stated as under:

i) Normally, if and when it is understood that a contract is not going to be completed within the scheduled time period, the contract is kept operative by extending the time of completion provisionally. During this provisional extended period the operation of the Price Variation Clause will remain suspended. ii) Ifandwhenitisdecidedattheendofthesuccessfulcompletionoftheworkthat the delay was due to causes not attributable to the contractor, then the Price Variation Clause will be revived and applied as if the scheduled date of completion has been shifted to the approved extended date.

iii) If it is decided at the endof successful completion of the work that the delay was due to the fault of the contractor then the Price Variation Clause will not be revived for the purpose of escalation but shall be revived and applied for the purpose of deescalation and no further payment will be made to the contractor on account of any escalation during this period but recovery shall be made for de-escalation, if any. Additionally, the Clause related to Compensation for delay will be applied.

iv) If it is decided at the end of successful completion of work, the delay was partly due to the fault of the contractor and partly due to the fault of the employer and therebyLiquidatedDamages(LD)/compensationduetodelayisimposedthenprice variation clause for the purpose of escalation shall not be revived for this extended period, but shall be revived and applied for the purpose of de-escalation.

No payment will bemadeby applying "FROZEN INDICES "under any circumstances.

CodeofIntegrityforPublicProcurement(CIPP):

1. Introduction

Public procurement is perceived to be prone to corruption and ethical risks. To mitigate this, the officials of Procuring Entities involved in procurement and the bidders/ contractors must abide by the following Code of Integrity for Public Procurement (CIPP). All Procuring Officials shall give an undertaking to abide by the Code of Integrity of Public Procurement (CIPP) in ERP while processing PR in SAP ERP. The undertaking shall be put in format ofPR itself in ERP. However, if estimate is processed outside ERP then separate undertaking in this regards shall be given by all procuring officials. The bidders/ contractors should be asked to sign a declaration about abiding by a Code of Integrity for Public Procurement (including subcontractors engaged by them) during submission of bid, with a warning that, in case of any transgression of this code, it would be liable for punitive actions such as cancellation of contracts, banning and blacklisting or action in Competition Commission of India, and so on.

2. CodeofIntegrityforPublicProcurement

Procuring authorities as well as bidders, contractors and consultants should observe the highest standard of ethics and should not indulge in the following prohibited practices, either directly or indirectly, at any stage during the procurement process or during execution of resultant contracts:

- i) **"Corruptpractice":**makingoffers,solicitationoracceptanceofbribe,rewardsorgiftsor any material benefit, in exchange for an unfair advantage in the procurement process or to otherwise influence the procurement process or contract execution;
- ii) **"Fraudulentpractice":**anyomission ormisrepresentationthatmaymisleadorattemptto mislead so that financial or other benefits may be obtained or an obligation avoided. This includes making false declaration or providing false information for participation in a tender process or to secure a contract or in execution of the contract;
- iii) "Anti-competitive practice": any collusion, bid rigging or anti-competitive arrangement, or any other practice coming under the purview of The Competition Act,2002, between two or more bidders, with or without the knowledge of the procuring entity, that may impair the transparency, fairness and the progress of the procurement process or to establish bid prices at artificial, non-competitive levels;
- iv) **"Coercivepractice":**harmingorthreateningtoharm,personsortheirpropertytoinfluence theirparticipationintheprocurementprocessoraffecttheexecutionofacontract;
- v) "Conflict of interest": Participation by a bidding firm or any of its affiliates that are eitherinvolvedin the consultancycontractto which thisprocurementis linked; orif they are partof more than one bid in the procurement; or if the bidding firm or their personnel haverelationships or financial or business transactions with any official of procuring entity whoare directly related to tender or execution process of contract; or improper use ofinformation obtained by the (prospective) bidder from the procuring entity with an intentto gain unfair advantage in the procurement process or for personal gain.
- vi) "Obstructive practice": materially impede the procuring entity's investigation into allegations of one or more of the above mentioned prohibited practices either by deliberately destroying, falsifying, altering; or by concealing of evidence material to the investigation; or by making false statements to investigators and/ or by threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters

relevant to the investigation or from pursuing the investigation; or by impeding the procuring entity's rights of audit or access to information;

3. ObligationsforProactiveDisclosures

ii) Any bidder must declare, whether asked or not in a bid document, any previous transgressions of such a code of integrity with any entity in any country during the last three years or of being debarred by any other procuring entity. Failure to do so would amount to violation of this code of integrity.

iii) To encourage voluntary disclosures, such declarations would not mean automatic disqualification for the bidder making such declarations. The declared conflict of interest may be evaluated and mitigation steps, if possible, may be taken by the procuring entity. Similarly voluntary reporting of previous transgressions of Code of Integrity elsewhere may be evaluated and barring cases of various grades of debarment, an alert watch may be kept on the bidder's actions in the tender and subsequent contract.

4. PunitiveProvisions

Without prejudice to and in addition to the rights of the procuring entity to other penal provisions as per the bid documents or contract, if the procuring entity comes to a conclusion that a (prospective) bidder/ contractor directly or through an agent, has violated this code of integrityincompetingforthecontractorinexecutingacontract, the procuring entitymaytake appropriate measures including one or more of the following:
